## (VII) Daily Proceedings.

## JOURNAL OF THE NORTH INDIANA ANNUAL CONFERENCE, METHODIST EPISCOPAL CHURCH.

#### FIRST DAY.

WARSAW, INDIANA, Wednesday, April 3, 1918.

The North Indiana Annual Conference convened in its seventy-fifth session in the First Methodist Episcopal Church, Warsaw, Indiana, Bishop Thomas Nicholson, D.D., LL.D., presiding.

At 8.30 A. M. the Bishop called the Conference to order, and requested the singing of hymn No. 560,

"And are we yet alive,"

and the national anthem,

"My country, 'tis of thee."

These were both sung, the audience standing during the singing of the national anthem.

Prayer was offered by J. E. Williams, D.D.

The Bishop called the attention of the Conference to Indiana's progress in temperance work, and also commented on the progress that Illinois is making at this time. The Conference sang "Praise God, from whom all blessings flow."

The Bishop conducted a very helpful and interesting Bible study from the first five verses of the first chapter of the Book of Joshua, and offered prayer.

Judge Francis E. Bowser, of the Koseiusko County Circuit Court, welcomed the Conference in behalf of the local church in an address resplendant with Christian spirit, to which the Bishop made suitable and happy response.

The Lord's Supper. Bishop Nicholson called the District Superintendents and the pastor of the local church to conduct the sacrament of the Lord's Supper. After they had administered the elements to a large number of communicants, he led in the use of the Lord's Prayer, in which the congregation joined. After this the Conference sang the first hymn, "O for a thousand tongues to sing!" thus closing this service. **Roll Call.**—At the request of the Bishop, D. V. Williams, Secretary of the last session, called the roll of the members deceased since the last session. The Conference stood while the following names were read: John W. Welch, Joshua E. F. R. Hill, on motion of B. S. Hollopeter, was elected to Deacons' and Elders' Orders under the Chaplaincy Rule, and spoke of his work at Camp Shelby.

Sale of Church.—On motion of J. A. Beatty, the Conference authorized the sale of Fall Creek Church, on the Ingalls Charge, the money derived from said sale (\$166.62) to be divided equally between Ingalls and Fortville Churches.

On motion of R. J. Wade, the pastor of the senior member of our Conference was appointed a committee to send the greetings of the Conference to the absent retired members.

Announcements were made, and the Conference adjourned, to meet at 1.30 in joint session with the laymen.

The benediction was pronounced by Charles E. Guthrie.

### Afternoon Session.

Conference met at 1.30 in joint session with the Laymen's Association, Bishop Nicholson presiding. He announced Hymn No. 334, "My faith looks up to Thee," which was sung, and prayer was then offered by Professor B. W. Ayers and W. D. Parr.

In extending a welcome to the laymen meeting with us in joint session, the Bishop spoke in a happy manner of the intimate relation they sustain to the forward movements in the church. To his words of welcome Mr. E. E. Starbuck, president of the Laymen's Association, made a suitable reply, and assured the Conference of the sincere, hearty, and continued co-operation of the laymen with the ministers. Somerville Light then delivered a stirring address on the program of the Chicago Area. A. B. Cline, of Bluffton, in an address that stirred deeply the hearts of all in this joint meeting, urged the greatest of spiritual equipment, the baptism of the Holy Spirit as an essential and adequate equipment, on the part of both preachers and laymen, for the carrying out of this great forward movement inaugurated by the Centenary Commission.

Prayer was offered by Bishop Nicholson, after which the following delivered short, stirring addresses: Judge F. E. Bowser, of Warsaw, on "Co-operation;" E. S. Vandemark, on "Evangelization of the Country Church;" B. F. Hornaday made some very helpful remarks upon the country church problem. F. P. Bothwell, of Ligonier, gave a short talk. Ralph Ward, of China, spoke with reference to the Centenary program.

Bishop Nicholson spoke briefly upon the possibilities of the world program. Then the following resolution was read by F. W. Greene, of Syracuse:

We, the preachers of the North Indiana Conference and members of the North Indiana Conference Laymen's Association, in joint session, having heard with high appreciation the patriotic and religious sentiments as expressed by Bishop Nicholson and others, ministers and laymen who are in leadership in this Conference, do hereby express our full endorsement and enthusiastic approval of the same.

We note with keen interest the program formulated and adopted by the Conference of District Superintendents of the Chicago Area last February, with Bishop Nicholson presiding, as the program of Methodism for the Chicago Area for the year 1918. We note that it is a program necessitated by the present-day world situation. It is also the result of a careful survey of the moral, religious, and social conditions now prevailing in large cities and in rural communities. As such, it makes a compelling appeal to every loyal Methodist to give unstinted co-operative support to our Bishop and others identified with him in leadership, to the end that this Conference may make the largest possible contribution to the intellectual awakening, political purifying, moral clevation, and spiritual illumination and consequent social and industrial betterment of all the people of this great area.

To the faithful working out of this program, which calls for the unqualified loyalty of every citizen to the President of this Republic in winning the war, as a patriotic duty to be cheerfully performed; also for the recruiting and training of our ministry, the promotion of moral and religious education in Sunday school and Epworth League endeavor, campaigns for endowments and Christian stewardship, the solution of problems peculiar to life in our great cities, the development of the moral and religious resources of our rural communities, the maintenance of the central mission of the church, which ic a contrast we pledge the full measure of our devotion

R. J. Wade offered the following resolution, which was adopted:

The Centenary World Program of American Methodism challenges attention on every hand, the hearty co-operation of all laymen and pastors.

The call of the last General Conference for a celebration of the Missionary Centenary during the years 1918 and 1919 is being answered by statesmanlike vision by our bishops and missionary leaders. The nation has been thrust into world obligations of undreamed significance. In these days of world-wide destruction we give ourselves unusually to this great world program of construction. The world is to be made safe for democracy and democracy made safe for the world by the regenerating power of the preached gospel of Christ.

The resolution was unanimously adopted by a standing vote, and the joint session stood adjourned.

#### FIFTH DAY.

#### Sunday, April 7, 1918.

The Annual Conference Love Feast was opened at nine o'clock, in which G. B. Work, who was in charge, was assisted by Lewis Reeves, Charles E. Disbro, M. F. Stright, and J. S. Cain. J. S. Cain announced the first hymn, "O for a thousand tongues to sing," after the singing of which prayer was offered by Lewis Reeves. M. F. Stright read the Old Testament lesson, and the New Testament lesson was read by Charles E. Disbro. After a large number of both ministers and laymen had testified, in which a fine spirit prevailed, the Love Feast was brought to a close.

Public Worship.—At 10.30 the public worship was opened by the pastor of the church, the Rev. L. J. Naftzger, announcing the first hymn, "O for a thousand tongues to sing." Prayer was offered by Dr. Mantel. The splendid choir of the church rendered beautiful music under the leadership of Mr. Elmer Funk, choir director. D. T. Stephenson read the Scripture lesson and Everett Naftzger sang a solo.

Bishop Nicholson preached a soul-stirring sermon from Matt. 22. 46, "What think ye of Christ?" and closed the service with prayer, after singing Hymn No. 180, "All hail the power of Jesus' name." The Bishop pronounced the benediction.

# Memorial Service.

The Conference met for the memorial service at 2.30 P. M., with D. V. Williams, the Secretary, in charge. The hymn "My faith looks up to Thee" was sung, and prayer was offered by C. H. Brown.

Miss Geraldine Dunn sang a solo, and W. A. Griest, the Assistant Secretary, read for a Scripture lesson the eighty-seventh Psalm. Rev. R. C. Plank and wife sang a beautiful duet.

The Secretary read a brief review of the memoirs of J. W. Welch, P. S. Stephens, J. W. Paschall, I. W. Singer, F. M. Lacy, J. E. Ervin, A. M. Patterson, William S. Stewart, and Mrs. Sarah Foland Peck, Mrs. Weber Roahrig, Mrs. A. L. Lamport, Mrs. Melissa E. Lacy, and Mrs. J. E. Ervin, deceased within the last year. The sermon was preached by Rev. C. E. Line, D.D. His subject was "The Anniversaries Kept in Heaven," from the text "The Lord shall count, when he writeth up the people, that this man was born in Zion." The Secretary called attention to the fact that one of the supplies, Rev. A. M. Wickman, had died this last year, and his District Superintendent, M. S. Marble, spoke briefly of his life and work.

# Ordination Service.

Immediately at the close of the memorial srvice, Bishop Nicholson took charge of the ordination services, and at his request the Secretary called the names of the following: Edgar Moore, William O. Power, Vernie C. Rogers, George E. Whitten, Frank S. Young, J. Austin Lord, and Fred R. Hill, and presented them to the Bishop to be ordained deacons. After they had taken the vows the Bishop ordained them deacons.

The Secretary called the following to the altar and presented them to be ordained elders: Charles W. Chadwick, Valorous L. Clear, Ernest B. Megenity, Henry C. Powell, Alvin F. White, Ernest J. Wickersham, Owen B. Young, George L. Jordan, George N. Callaway, J. Austin Lord, David L. MacFarlane, and Fred R. Hill. After the main volume their vows, the Bishop, with the assistance of the From Seperatendents and other elders, ordained them elders.

The Bishop called the deacons who had been ordained, as well as Han wives and friends, to the altar for a consecration service, in which George R. Grose and James A. Beatty led in prayer.

The ordination service closed with the benediction by the Bishop.

# (VIII) Reports.

# (a) DISTRICT SUPERINTENDENTS.

#### FORT WAYNE DISTRICT.

#### Wallace W. Martin, District Superintendent.

Bishop Nicholson and Brethren: Our task at this moment is a pleasureable one. We bring glad tidings of good things. For two years in succession each minister's home in Ft. Wayne District has been spared the toll of

death. We have three retired ministers living within this district: M. C. Pittenger, of Coesse; M. F. Stright and J. K. Walts, of Ft. Wayne. Each of these is a loyal helper to his pastor, and faithful to all the interests of the kingdom.

The severity of the winter, at times almost impassable roads, the fuel situation, have imposed hardships, interfered with special services, and have introduced new conditions, but uncomplainingly our pastors and laymen have been true soldiers of the Lord Jesus Christ and have made these difficultics stepping stones to larger achievement. We have announced our creed. In Ft. Wayne District we believe that when the world is depending upon America as never before, and when the American Government is depending upon the church as never before, it is no time for the church to retreat. And we are not retreating.

Wallace w. Martin.

**Changes in Pastors.** — On July 15 Brother L. G. Carnes, of Poneto, and Brother E. E. Wright, of Harlan, were exchanged in appointments, the pastors and charges consenting to the arrangement.

On September 15 C. A. McPheeters, a probationer of this Conference, was relieved of the Hoagland charge that he might attend school, and Brother Russell S. Jones, also a probationer, was appointed to this charge.

Brother Russell S. Jones, also a probationer, was appointed to this charge. At the same time Arthur C. Emmons, who was supplying the Spencerville charge, was relieved of his work, and Glen Bryan was appointed in his stead.

October 15 Dr. C. Claud Travis, for eight and one-half years the wellloved pastor at Wayne Street. Ft. Wayne, was transferred by Bishop Nicholson to the Rock River Conference and stationed at First Church, Englewood, and J. F. Porter, of that Conference, formerly a member of this Conference, was returned to us and stationed at Wayne Street.

**Church and Parsonage Property.**—On the sixth day of May we dedicated the beautiful rural church at St. Joe, on the Ft. Wayne Circuit. This was quite an undertaking for only thirty-five members, the number reported by J. M. Stewart, pastor, at our last Conference session. The cost of the building was \$6,400, and of this \$3.500 was unprovided for. At the afternoon session we were able to announce that \$4,100 had been pledged. At night we conducted evangelistic services and eleven people came forward and united with the church. Fine revival meetings have since been held and the membership of the church more than doubled this year. All but \$1,850 has been paid at this time. Brother Stewart believes in prayer, and this and other achievements are some of his tokens of answer to prayer.

On September 23 our commodious and modern church at Hudson was dedicated by Dr. A. E. Smith, of Ada, Ohio. The cost was about \$12,000,

medici to meet indebtedness. On the total cost of  $\alpha$ -shings \$7,070 have been paid during the year. The over deserves great credit for his leadership in this move-

Twelve hundred dollars has been raised and paid on the parsonage home.

In harmony with the action of the Quarterly Conference of the Ashley charge a property has been contracted for, and the pastor, Darrell Stoakes, and wife are occupying this parsonage.

Geo. L. Conway has been successful in providing the entire amount needed (\$1,800) to finish paying for the new parsonage erected at Pleasant Mills last year.

Fifteen hundred dollars has been paid on the debt at Ossian, \$2,000 on the debt at Garrett, \$1,000 on the debt at Leo, and \$900 on the debt at Fremont

The Huntertown church has been repaired and frescoed at an expense of \$1,000; the Wayne Street church has installed a new heating plant in the parsonage at an expense of \$1,200; \$800 in cash has been raised and applied to the new building fund at Trinity, Ft. Wayne.

Methodist Literature.—The Sunday schools at Ft. Wayne District want the strong meat of the gospel they find in our own Sunday-school literature. We are glad to say that the most of our pastors feel the same responsibility with regard to taking of subscriptions for our church papers as they do for our benevolences. The circulation of the Western Christian Advocate has increased, the net gain in subscriptions being 207.

Revivals, Church Membership, Pastoral Labor.—About one thousand conversions and reclamations are reported. Considering the fact that in many places our pastors were prohibited from holding any meetings, we are thankful for even this number. The largest number of converts reported is by Glen Bryan, on the Spencerville charge. 100. Jos. Grimes, Coesse, reports 80; B. D. Nysewander, Fiat, 68; J. M. Stewart, Ft. Wayne Circuit, 63; G. A. Snider, Geneva Circuit, 56; F. A. Hall, Auburn, 55; A. G. Neal, First Church, Ft. Wayne, 55; M. C. Wright, Trinity, 48; Chas. Tinkham, Garrett, 45; E. J. Glendenning, Auburn Circuit, 41; L. G. Carnes, Harlan, 41; G. Dawe, Kingsland, 35; L. W. Kemper, Fremont, 31; G. L. Conway, Pleasant Mill, 28; and others less than 25.

The advance reports of pastors indicate that 1,271 names have been recorded as full members this year, and that for various causes 821 have been removed. While the margin here is not large, it is a margin on the right side of the ledger.

It is a time to stress pastoral visitation and evangelism. When sons are at the front and hearts at home are tender, when usual methods of evangelism are partially forbidden, there is no barrier to a minister's pleading and prayers with the people in their homes and in offices.

Ministerial Support.—When on circuits allowance has been made for changes in the charges, the advance for pastor's cash salary for the churches now constituting the charges is as follows: First Church, Ft. Wayne, \$500; Ray, \$400; Bluffton Circuit, \$325; First Church, Bluffton, \$300; Huntertown, \$300; Garrett, \$250; Simpson, Ft. Wayne, \$200; Leo, \$200; Decatur Circuit, \$200; Hamilton, \$200; York, \$200; Coesse, \$162; Trinity, Ft. Wayne, \$150; Fiat, \$150; Auburn Circuit, \$125; Decatur, \$100; Geneva Circuit, \$100; Fremont, \$100; Harlan, \$100; Ossian, \$100; Woodburn, \$100; and Montpelier at the close of this year adds \$100. Lesser increases have been made at Ashley, Geneva, Spencerville, and Kingsland (26 out of 40 charges); a total advance in cash salary for pastors of \$4,587, and twenty-one charges have already planned for advance next year. With the average cost of living having advanced 30 per cent in 1916, and 25 per cent more in 1917, we are in no danger of keeping up in salaries with the advance cost of living.

District Meetings.—The pastors' and stewards' meeting held in May; the Settlement Day and Evangelistic Conference in December; the Central Meeting conducted by all the district superintendents in September; the Fall Benevolence Campaign, with J. J. Kingham, J. M. Yard, and S. W. Edwards as missionary helpers; the Epworth League convention in Garrett; the meetings of the W. F. M. S. and the W. H. M. S., and the National Board of Control of the Epworth League, all in Simpson Church, Ft. Wayne, and the District Conference in First Church, Ft. Wayne, with Bishop Nicholson and other distinguished representatives of General Conference Boards of our church, have widened the vision of our people and laid fundations for further achievement.

**Christian Stewardship.**—After conference with our capable missionary secretary, F. A. Hall, it was agreed that we should undertake to do something for Christian Stewardship. Consequently F. F. Thornburg was appointed as Christian Stewardship secretary. During our fall missionary campaigns we gave Christian Stewardship a leading place. November 25 was set apart as enlistment day for Christian Stewardship. The immediate result has been the enlistment of twelve hundred men and women in Ft. Wayne District. Thus we have anticipated the Christian Stewardship campaign in connection with the Centenary campaign. We can care for all national interests in this critical war time and also meet the obligations of the church when all our people recognize themselves as stewards of God in material things.

Benevolences.-Last year we reported that Ft. Wayne District would take its place along with Goshen District with a "pull up" in each charge for the eight benevolent boards. By a margin of one dollar one charge failed, though all apportionments were met and the pastor thought this constituted a "pull up." Perhaps prophecy is vain, but all pastors report an increase for the eight boards. Last year fifteen charges were in the all-star class. This year, according to reports, thirty charges will pay the full apportionments or more. Two more churches in the district have adopted the parish-abroad plan: First Church, Ft. Wayne, is supporting J. J. Kingham, and First Church, Decatur. E. W. Detrich. Only churches that agree to meet all ap-portionments in full are asked to take a pastor abroad. The following charges in the district pay more than \$1,000 this year to the eight benevolent boards: Simpson, Ft. Wayne, \$1,022; Hamilton, B. F. Hornaday, pastor, \$1,385; Wayne Street, J. F. Porter, pastor, \$1,580; First Church, Auburn, F. A. Hall, pastor, \$2,041; First Church, Decatur, F. F. Thornburg, pastor, \$2,101; First Church, Ft. Wayne, A. G. Neal, pastor, \$2,110; First Church, Bluffton, W. T. Arnold, pastor, \$5,234. We are confident that Bluffton will lead the Conference this year, but pledges already taken provide for an increase next year. The following charges are reported by their pastors as having reached the full apportionment: Angola; Ashley; Auburn Circuit; Coesse; Fiatt; Trinity. Ft. Wayne; Fremont; Garrett; Geneva, Geneva Circuit; Harlan; Hoagland; Hudson; Huntertown; Leo; Monroe; Monroeville; New Haven; Orland; Spencerville; York Circuit. I was called this morning by the district missionary secretary and told that the men of our district had gone over the figures and that a certain sum would put all charges in the all-star class, and that he would sign note with two or three and get the money. We will not do this now, but we will assure that as a first increase for next year.

Last year the Ft. Wayne District led the districts of the Conference in increase, a gain of \$3,409 for the eight boards. We are informed by Dr. Hollingshead, apportionment secretary, that in the four years ending in 1917 the North Indiana led the fifty-one spring Conferences of Methodism in increase for the eight boards. He also informs us that the Ft. Wavne District passed to the first place in all the districts of these fifty-one Conferences. Last fall I wrote Bishop Nicholson that we were expecting that within four years the district would double its gifts to these great boards. From the reports given me the gain in the district this year has been \$10,032, which, added to the gain of \$3,409 of last year, makes a gain of \$13,441 for the two the world is in the melting pot we should be getting ready in carnest

Ft. Wayne Methodism.—We are undertaking to solve the problems of Methodism in the second city of the State.

J. F. Porter came in October to Wayne Street Church. He was to follow a very popular and successful pastor, who for more than eight years had ministered to this people. Difficulties had arisen early in the year. The stuation has been met. The outstanding success in the past year had been on benevolences, but this year is better than Dr. Travis' best. A. G. Neal, at First Church, has had a remarkable year. The gifts to

A. G. Neal, at First Church, has had a remarkable year. The gifts to benevolences have been almost doubled. He not only reports the largest membership in the district. 1,230, but the largest net gain in members, 115.

Simpson Church has been served the past year by U. S. A. Bridge. The already phenomenal record of this church on benevolences has been surpassed this year. All financial obligations have been met promptly. Approximately \$3,000 has been raised to pay on principal and interest on debt. The Sunday school here leads the other Methodist Sunday schools of Ft. Wayne in average attendance. One hundred new members have been received during the year.

Manfred C. Wright, reared in Ft. Wayne, a worker in the shops, last spring returned to his home town and home Conference to become pastor of Trinity Church. The first few weeks of the Conference year were critical in this church, but Brother Wright's Christian manliness, his open optimism, his hne pulpit utterances, and his pastoral fidelity have brought a church together with united purpose to do the real work of the kingdom. He has had 175 accessions and fine increase in his benevolences. The churches of Ft. Wayne have made a religious census within the year and we are launching a federated movement, and already Ft. Wayne Methodism asks that the secretary of our Methodist preachers' organization, Brother L. M. Krider, be furnished the names of all Methodists moving to Ft. Wayne, and he will distribute these names according to addresses to various pastors.

The Methodist Hospital.—Our campaign for the Methodist Hospital in Indianapolis brought subscriptions of \$4,100 on an asking of \$3,000, and \$2,537 of this amount has been paid.

After careful investigation, in which all the district superintendents of this Conference shared, it was concluded to appoint a committee of seven to confer with the Board of Trustees of the Methodist Hospital Association of Indiana with regard to the purchase of the Ways Sanitarium as a hospital for the Methodist Episcopal Church. It was felt that the Methodist hospital work of the State should not be competitive, but cooperative. The superintendent of the Ft. Wayne District, R. J. Wade, A. G. Neal, Dr. J. S. McCurdy, V. A. Berry, D. N. Foster, and F. F. Thornburg were named as the committee.

We found that the Hope Hospital Association was suspending operation because of certain difficulties that had arisen, and that they were heartily in sympathy with a movement for a Methodist hospital, and to give their time and counsel, as well as available funds, for such purpose.

The Ways Sanitarium is a six-story building, fireproof, 104 rooms; with its own heating, lighting, and water system, and already in operation as a hospital. It cost, with ground, building, and furnishings, \$260,000; was estimated by architects to be worth \$300,000. It could be bought for \$260,000, and the builders. Dr. and Mrs. McBeth, would give \$35,000 cash on this proposition, and give reasonable terms for the balance. When the representation was made to the Board of Trustees at Indianapolis. a committee of nine -three from each Conference—was chosen to meet at Ft. Wayne and make some recommendation to the trustees at a future meeting. The result

has been that the Methodist Hospital Association of Indiana has agreed to the purchase of this building and the operation of this Methodist Hospital on the condition that Ft. Wayne and vicinity shall raise \$100,000 and the Methodist Hospital Association assume the remaining indebtedness of \$125,000. That was March 26. The executive committee of Hope Hospital have undertaken the leadership in this movement, and already there is available in cash and subscriptions the sum of \$50,000. Such a Methodist institution is needed in this section of Indiana. The American Government has already designated this building as the hospital to care for her wounded and sick soldiers. We are confident that these conditions will be met at an early date, and our Methodists will have the best-equipped hospital in this section of the State. The North Indiana Conference has always been true to the interests of all Methodist institutions for this State, when not one of them has been located within our Conference, and we have assured our brethren of the Hospital Board that if a Methodist hospital is located in the largest city of our Conference they may depend still more upon our loyalty. For some time Dr. T. J. Johnson was manager of the Hope Hospital and has given much assistance to this movement.

With profound gratitude to God for his help and guidance, with a deep sense of what the cooperation of pastors and laymen of Ft. Wayne District has meant we close this our second report.

#### GOSHEN DISTRICT.

#### R. J. Wade, District Superintendent.

Bishop Nicholson and Brothers: Goshen District's report for the Conference year is a record of achievement, a true story of victorious advance on all fronts. Difficulties of unusual character have been encountered. Ob-

stacles pertaining to an extraordinarily severe winter, the most distressing fuel shortage ever experienced, greatly aggravated in northern counties, the interruption by reason of war's demands, the contribution to Liberty's altar of life, time, strength, and money in unstinted measure; these have all been ours and yours.

Mastering the Situation.—Recognizing early that we faced a serious situation in the church, I appealed to pastors and laymen after this manner: "The evidence of great generalship lies in ability to turn seeming defeat into decisive victory. Napoleon, when report was brought early in the day of a repulse, said, 'One battle lost, there is time to win another.' We are prevented in most charges from carrying on proposed and usual evangelistic campaigns because of shortage of fuel. Combination of services on one week day and union Sunday evening services are in the new order."

R. J. Wade.

I argued that "yesterday extravagance, gluttony, drunkenness, licentiousness, selfishness threatened American life. We were rapidly traveling dangerous paths. To-day all is changed. The banner we bear is pure. Men and women seem to want to be good. They want to be of service. They want to help fight the common enemy. They are coming back to God, whether in the trenches, training camps, or home territory. The church is exalted as never before. Men are hungry as not for long. It is easier to talk and live religion than yesterday. God help us meet men's needs now. We must be to-day the Christian disciples of a new civilization. We must reach men with Christ."

That appeal met ready response in the hearts of the thirteen thousand

t r men of Goshen District. There have been no istry, and few faint hearts anywhere.

Fe 1931 and Membership. Almost every charge will report an increase or many reaching the ten-per-cent goal. At the pastors' and become held in St. Mark's, Goshen, the very beginning of the

the year of program was made to include an earnest effort to enroll in the darge during the year no less than ten new preparatory members. View years ago the statistics for the entire connection revealed the astounding disclosure of 3.700 churches failing to enroll, with twelve months' effort of pastor and people, a single new probationer. North Indiana Conference and Goshen District furnished some of those churches. Brethren, it ought net so to be

No tabernacle meetings have been held and few evangelists have been employed, though these agencies are never to be disparaged. "Eddie" Homas assisted D. H. Guild at Trinity, Elkhart, for three weeks in revival services. Sixty-five dedicated their lives to Christ on the closing Sunday; thirty two the Sunday previous; 120, all told. Total conversions and renewals for the year at Trinity register 140; 46 were received on Easter.

Evangelist Thomas also assisted in a brief successful meeting at Watechoo.

Passion Weck services of exceedingly valuable character were held in the majority of our churches following the area program. Easter witnessed the reception of 53 members at First Church, Goshen; 24 at Nappanee; 39 at Mishawaka; 18 at St. Mark's, Goshen; 6 at Corunna; 21 at Albion; 13 at Bristol; 2 at Avilla; 3 at Cromwell; 10 at La Grange; 5 at North Webster; 22 at Osceola; 3 at Stroh; 7 on the Warsaw Circuit; 8 at Wolcottville; 2 at Inwood; 18 at Butler; 2 at Etna Green; 7 at Kendallville; 6 at Wakarusa; 5 at Tippecanoe.

The most outstanding revival record is that of Osceola, J. M. Jordan, pastor. In spite of snow and blizzard three meetings were held at the three appointments, resulting in 20 conversions at Bamarack, 30 at Jamestown, and 22 at Osceola. W. B. Morgan and G. E. Whitten exchanged help in North Webster and Cromwell, resulting in 32 conversions at Cromwell and 30 at North Webster. W. E. Hogan led to victory at Syracuse, with 51 conversions for the year. A union meeting at Wakarusa, Evangelist Phelps in charge, largely supported by our people, brought 14 decisions. J. W. Oborn assisted at Benton, with 10 conversions, while conversions at New Paris number 15. Brother Oborn has just closed a revival campaign in Clarion, Pa., where 95 conversions occurred. The year for him, as for other special evangelists, has not been as productive as usual because of inability to hold campaigns; nevertheless a total of 125 conversions is reported. When J. C. Woodruff was released, January 1, to become an assistant in the Conference Claimants field, Brother Oborn completed the year at New Paris, with very satisfactory results. Brother Earle Naftzger has had a fruitful year in evangelistic work in various fields until September 15, when he engaged in Y. M. C. A. war work at Camp Travis, San Antonio, Texas, and reports "during the six and one-half months more than one thousand personal interviews, five hundred decisions, and six hundred renewals."

Evangelistic effort resulted in conversions and definite decisions as follows: St. Paul, Elkhart, C. B. Croxall, pastor, 35: Bristol. R. R. Detweiler, pastor, 12; Howe, C. A. Hile, pastor, 28; Goshen Circuit, A. P. Teter, pastor, 20; Nappanee, R. E. Zeigler, 35; Wolcottville, W. T. Daily, 16; Etna Green, E. Dickson, 25; Pierceton, G. F. Hubbartt, 20; Tippecanoe, H. W. Park, 10; Bourbon, R. W. Stoakes, 17; Ligonier, T. M. Hill, 12; Middlebury, G. W. Martin, 20; Milford, R. V. Johnson, 2; Stroh, L. D. Hershberger, 6; South Milford, V. L. Clear, 12; Elkhart, Simpson, R. C. Plank, 10; Kendallville, F. A. Le Master, 24; Goshen, St. Marks, A. L. Lamport, 26; Albion, J. C. Graham, 10; Corunna, C. F. Jones, 7; Cromwell, G. E. Whitten, 34; Elkhart, Trinity, D. H. Guild, 140; Goshen, First, H. C. Harman, 21; Inwood, W. E. Loveless, 7; La Grange, C. L. De Bow, 0; North Webster, W. B. Morgan, 10; Osceola, J. M. Jordan, 74; Warsaw Circuit, R. S. Brown, 15; Butler, R. Burns, 5; Waterloo, S. F. Harter, 20; Wawaka, A. A. Turner, 2; Wolcottville, W. T. Daley, 16; Warsaw, L. J. Naftzger, 40; Wakarusa, S. B. Stookey, 15; Mishawaka, B. E. Parker, 30. Total conversions reported to date, 781. **Conference Claimants Campaign.**—Pioneering the way to secure the complete endowment needed for Conference claimants in North Indiana Conference, Goshen District at first looked longingly toward its proportion, \$50,000—one-sixth of the \$300,000 at first thought practicable to be raised in this campaign. Open-minded, broad-visioned laymen recognizing a long overdue debt, virtually said that it ought and should be paid now.

The raising of the asking of entire Methodism last autumn from \$10,000,000 to \$20,000,000 automatically increased our goal to \$100,000 per district. This gave us the opportunity we coveted. We are now working on the last \$1,000 of the larger goal.

It was further discovered that \$1,000,000 of endowment in the North Indiana Conference would permanently care for every claimant without annual apportionments to the charges. Our ultimate goal therefore is \$150,000, and toward that we now address our efforts. It will ultimately be secured. A few churches have been slightly canvassed. In no one has the last dollar been secured. Some very large contributions are in prospect. Immediately after Conference we will address ourselves anew to the task.

Goshen District has been greatly blessed in the leaders who have worked with us in the campaign. Brother Morrison's coming has been a benediction to every home and charge. Two were reclaimed in connection with the solicitation of Brother J. C. Woodruff on the first charge to which he was sent. He has secured subscriptions large and small, and proved to be the exact man for the place. The General Board has loaned us for considerable time my former college classmate, J. Frank Anderson. The latest letter from a pastor concerning his work says: "Brother Anderson is a prince. Had one conversion yesterday in the home after we got an after-death bond for \$500, the husband of the home."

The campaign has been worth everything that it has cost in spiritual blessing. Malachi's promise has again been fulfilled: "Bring ye all the tithes into the storehouse, saith the Lord of hosts, and I will pour you out a blessing, that there shall not be room enough to receive it."

Every minister and widow of a minister residing here in Warsaw has given liberally; one an after-death bond of \$5,000, covering a large part of carefully husbanded outside resources.

This charge, under the magnificent leadership of Dr. L. J. Naftzger, greatly beloved, like his predecessor, both within and out of the church, has contributed over \$10,000 to this fund, as has Etna Green, E. Dickson, pastor, while Nappanee, Goshen (First), and Trinity, Elkhart, are pushing close for the honors.

Births and Deaths.—The two of our veterans who had been longest on the retired list have gone home: "Father" Welch, aged ninety-four, third oldest in Methodism, spiritual father to my father; and J. W. Paschall, good and true servant. These men were honored among us and are mourned by all.

Death entered the parsonage at Bourbon during the session of the last Conference, conveying to the eternal home the accomplished wife of Brother R. W. Stoakes, and in August, after long and severe illness, the devoted companion of Brother A. L. Lamport, of St. Mark's, Goshen, was likewise summoned. June 3 ended the earthly visit of Robert Ernest Davy, aged three and one-half years, who had been an angel guest, since the mother's death, in the home of Brother and Sister G. F. Hubbartt, of Pierceton. Charles Todd Jones gladdened the hearts, for a little less than three months, of the home keepers in Corunna parsonage.

Kenneth Henry Graham was the first child to be born in the fine, new Albion parsonage April 18. The first visitor to see life in the new Bourbon Circuit parsonage is Joe Gordon Menaugh, while Margaret Elizabeth Brown has engrossed the parents' attention on Warsaw Circuit since October 14. Sickness, with hospital visitation, has been the portion of the homes of Brother and Sister J. C. Graham, W. E. Hogan, R. A. Morrison, C. A. Cloud, J. M. Jordan, F. A. Le Master, B. E. Parker, and J. W. Bowen. Brother Bowen had hoped to complete forty years in the active ranks but rheuma-

Sickness, with hospital visitation, has been the portion of the homes of Brother and Sister J. C. Graham, W. E. Hogan, R. A. Morrison, C. A. Cloud, J. M. Jordan, F. A. Le Master, B. E. Parker, and J. W. Bowen. Brother Bowen had hoped to complete forty years in the active ranks, but rheumatism and neuritis compels the relinquishment of the pastorate at this session. He had for six months. midst great pain, carried on the work of the charge. He is now seeking help at the Mt. Clemens Sanitarium and desires to be remembered to and by the Conference. Pars rages the personal e debt was extinguished at Corunna under for her C. F. Jones: extensive repairs were made at Toher W. T. Daly has managed the building of a fine new force, costing \$3,500, at Wolcottville. Into the Milford parterly, ther Conference, came the beautiful bride of Brother R. V. bulloude. Past a, wife, and people have had a delightfully successful year.

Epworth League. Among the new things in Goshen District is a venthe mountalism by the Goshen District Epworth League. The new paper, the Reveille, ably edited by R. R. Detweiler; is well named and bespeaks the spirit of our young Methodist hosts.

More than two hundred registered from Goshen District last summer at the Wawasee Epworth League institute, while even more will profitably spend July 15 to 22 this year at the same place. Last year's enthusiastic Epworth League convention was held at Pierceton; this year we are to be guests of Nappanee.

The W. H. and W. F. M. S. conventions convened at Nappanee and Ligonier with usual attendance but unusual interest and the best reports ever.

Debts.—Some old things have passed away. Church notes have been burned at Wolcottville and Cromwell. Splendid payments have been made at Warsaw, Etna Green, Bourbon, Tippecanoe, Nappanee, Jamestown, La Grange, and St. Paul, Elkhart.

Church Building.—The rebuilding of churches for the new day was somewhat interrupted by the war. Summit, on the Avilla charge, C. A. Cloud, pastor, after considerable repairs, was reopened November 18, the district superintendent raising the balance needed. Osceola, J. M. Jordan, pastor, raised the church building and arranged a fine basement for all purposes at an expenditure of \$1,223. The reopening was December 30, in charge of the district superintendent. All money had previously been provided. Pleasant View, W. H. Menaugh, pastor, constructed a fine basement, and Benton, R. Burns, pastor, installed a furnace and placed new windows in the church. V. L. Clear, at South Milford, led his people in a successful campaign to add two rooms for Sunday-school and community service to the church. The rededication was on a cold day in December; it was, however, a day of great victory, the district superintendent and pastor looking after the necessary finances.

The biggest enterprise of the year was at Leesburg. What can be done with \$16,500 in these times in the way of church building may be discovered by an interurban trip north six miles to Leesburg. Herbert Boase is the proud pastor, and the people are proud of Herbert Boase. The dedication occurred last Sunday, the district superintendent in charge, assisted by the pastor and Rev. C. H. Murray, Rev. J. S. Cain, Rev. J. T. Fettro. All money had been provided for previously. Three were received into the church, and the church is ready to begin a new era.

Salaries.—Increase in pastor's support as a matter of justice in these days of increased cost of living is recognized by all. This was stressed in Quarterly Conferences and at the December Settlement Day in Bristol, with which was combined an evangelistic institute, a meeting of power and helpfulness, the atmosphere of which Dr. Dean, of the Department of Evangelism, said he wished could permeate Methodism. Salaries have been increased this year, or in process of arrangement, as follows: First Church, Goshen, \$500, 11. C. Harman, pastor; Bristol, \$100, R. R. Detweiler; Goshen Circuit, \$75, A. P. Teter; Etna Green, —, E. Dickson; Butler, \$100, Robert Burns; Waterloo, \$200, S. F. Harter; Bourbon, \$100, R. W. Stoakes; Bourbon Circuit, \$100, W. H. Menaugh; Leesburg, \$100, Herbert Boase; North Webster, \$200, W. B. Morgan; Syracuse, \$200, W. E. Hogan; Howe, \$100, C. A. Hile; La Grange, \$150, C. L. De Bow; Valentine, \$100, J. H. Royer; Corunna, \$100, G. W. Martin; Benton, \$200, Frank Burns; Milford, \$100, R. V. Johnson; Topeka, \$100, J. W. Bowen; Wolcottville, \$100, W. T. Daly; Elkhart, Simpson, \$150, R. C. Plank; with others to follow, some charges by reorganization. The new church at Stech. L. D. Harsbarger aloged each warter it

The new clarch at Stroh, L. D. Hershberger, closed each quarter with bool budget and benevolences in full to that date. An Epworth League and W. H. M. S. have been organized. Ten hundred and fifty-eight dollars was secured in the Conference Claimants campaign.

Benevolences.- A record unique in Methodism has again been achieved

in Goshen District. For the third successive year every charge "pulls up" in the benevolences. The outstanding record of Mishawaka last year has been surpassed this year by several hundred dollars in the remarkable achievements under the leadership of Brother B. E. Parker. No less significant are the results in a number of other charges, as the printed records will disclose. We have not reached the goal of full apportionments in every charge, but we are Methodists and we are going on to perfection. On last Sunday night the auto of the president of the Laymen's Association of the Conference carried me rapidly toward the one danger spot occasioned by the sickness and absence of the pastor. The laymen are coming to be as interested as the pastors in a steady, irresistible advance to win the world to Christ and God. As General Pershing's men—our men; God bless them!—marched Easter day to the blood-stained fields of Picardy with songs upon their lips, so must we march with jubilant contributions to the saving of the world.

Centenary and Stewardship.—The Centenary sounds like the trumpet call of God. We must be ready. I shall never forget the awakening to the overwhelming responsibility for the world's need so vividly portrayed at Niagara Falls last September, and count it one of the privileges of a lifetime to have been a member of that World Program Committee. The church has the men, the organization, the money. What is needed is a revival of stewardship. Voiced by Dr. R. L. Cushman in our District Conference, that which we propose is, if possible, with you in Conference-wide campaign to call for our proportion of "a million tithers in Methodism." This is the preparation we innmediately need for the larger church of to-morrow. For this we shall "mobilize" this year.

**Mobilization.**—Our mobilization campaigns last fall were uniformly successful, reaching in very large measure our entire constituency. The total attendance exceeded twelve thousand. We are convinced that the church must mobilize as thoroughly as the Government. There is no possible reason why every member of every church should not be definitely committed to some particular work to be performed through his church. Let the church mobilize its membership for Christian service much as the Government is mobilizing its citizenry.

**Patriotism and the Flag.**—To the country's call our Methodist people have responded in generous measure. Our pastors and laymen have been leaders in every Red Cross, Y. M. C. A., Y. W. C. A., Thrift Stamp, Liberty Loan, and War Chest drive. The pulpit has rung with patriotic messages. Sons of the manse have been given. Service flags hang in practically all of our churches. Goshen District has contributed 615 boys from our Methodist constituency, representing church trustees, stewards, Sunday-school superintendents, Epworth League presidents, and every official position, while one of our own ministers, Ross W. Stoakes, proposes to serve the flag under the Fosdick Commission, just as Karl H. Carlson patriotically enlisted in November as a private in the medical department and is to-day stationed at Camp Greenleaf, Fort Oglethorpe, Ga., a member of Ambulance Co. 35. Heaven's choicest blessing on him and all who have gone or go!

Shall we not pray, with Mary Raymond Shipman Andrews:

- "God speed Old Glory when she takes the road to France! Through the thundering of the legions, where the bugles play Advance. God speaks: 'The fight is mine. Carry you my conquering lance.'
  - God speed Old Glory on!
- "God send Old Glory first and foremost in the fight!
- Fling her far, O God of battles, in the van. for the right.
- Lift our hearts up to our freedom's flag of red and blue and white. God fling Old Glory far!
- "God guard Old Glory clean through battle grime and sweat! Consecrate the men who serve her so that none may e'er forget How the honor of the colors lies within his keeping yet. God guard Old Glory clean!
- "God bring Old Glory home in honor. might, and pride! Battle-black and bullet-slashed and stripes streaming wide. Gorgeous with the memories of men who greatly died— God bring Old Glory home!"

into a holy passion against those who have outraged humanity, perverted civilization, and made victims of the innocent and helpless. This has had a very distinct influence on the religious mind of a people and a new sense of responsibility for the world's welfare is coming to the church. We are getting a new interpretation of the magnitude of our task. The practical way in which the various activities of the church are meeting the demands of the hour gives very hopeful promise for the future.

Logansport District is keeping pace with the spirit of the hour. Four of our very promising young men have answered the call of our country and put their lives upon the altar. W. E. McPheeters is now a very useful and popular chaplain at Camp Taylor, Kentucky. M. E. Shattuck is with the Marine Corps in France. A. C. Hoover is doing service in the Evacuation Hospital at Camp Greenleaf, Georgia. Fred R. Hill will

not accept exemption from the draft and is in training at Camp Taylor and is to become a chaplain. My wife and I have broken the alabaster box of ointment in the giving of our two sons to fight for our righteous cause. From the homes of many of our laymen splendid young men have gone forth to meet the uncertainties of this awful warfare. A service flag occupies a prominent and rightful place in all of our churches. Some of these stars have already turned to gold, indicating the supreme sacrifice. Our ministers have done their full share to crystallize public sentiment into patriotism. They have been first in Red Cross and Y. M. C. A. drives. They have helped the Liberty Loan and the conservation of resources. They have spoken in no uncertain sound on the great topics of the day.

Sorrow has entered the homes of some of our retired ministers during the year. Early in June, Mrs. Sarah Peck, the faithful companion of Rev. William Peck, of Frankton, was called to her home above, and leaves our afflicted brother with only a sweet memory of their long companionship. On October 15, Mrs. F. M. Lacy, of Cicero, was freed from a body of suffering and went home to rest with God, where pain and sorrow never comes. Brother Lacy waits in great loneliness for the day of reunion. July 6, Mrs. Lovena Smith, of Chili, widow of R. J. Smith, came to the end of a long and useful life. On January 20 the sweet and gentle spirit of W. B. Stewart, of Logansport, went home to God. Brother Stewart was one of the best beloved men of the North Indiana Conference and died at a ripe old age, surrounded by his devoted children and a host of friends in the Market Street Church.

Early in the Conference year the bishop transferred Edgar Moore from the Northwest Indiana Conference to fill a vacancy at West Middleton. He entered upon his work with great zeal and will bring the best report their charge has made for years. When Fred R. Hill, of Twelve Mile, was drafted for army service, Everett Nixon was appointed to take his place. Brother Nixon has greatly endeared himself to this people, who desire his return. A. L. Armstrong was secured for Hillisburg when A. C. Hoover entered the training camp. Brother Armstrong was reared in a parsonage home and gives promise of a successful career as a Methodist preacher. New Churches and Improvements.—While Rev. E. S. Riley was at the

New Churches and Improvements.—While Rev. E. S. Riley was at the Contrefence session, one year ago, the Sheridan people razed their old church to the ground. On November 4 they dedicated a new and one of the bestplanned churches in the Conference. The church cost the sum of \$46,000 besides the ground on which it stands. The plans emphasize the Sunday-school feature without sacrificing its churchliness. Dr. W. D. Parr was master of ceremonies at the dedication of this truly great building. With this fine equipment Sheridan charge is sure to take rank among the best in the Conference. Atlanta's new church has been slowly conning to completion, and they now expect to be ready to dedicate in May. W. M. Amos has added another to the long list of beautiful churches to his credit. This self-sacrificing people deserve great credit for building a larger and better church at a cost of \$12,000, and they now have a fully modern building with a full basement. steam-heating system, and enlarged auditorium and good Sundayschool equipment. O. T. Martin has been the master spirit in all this good work. A grand reopening day was held February 17, at which F. A. Hall, a former pastor, preached both morning and evening. It was dedicated March 24 by Dr. Parr.

The Kemp Memorial Church, at Tipton, was reroofed, frescoed, and otherwise improved at a cost of \$2,500. Ben Kendall, the pastor, secured the money for this improvement and is deservingly popular with his people. They have put his salary at \$1,000 for next year.

It has been a year in which the people have given much attention to the comfort of their pastors by providing proper homes for them. At Broadway, Logansport, A. W. Lowther secured a gift of \$6,000 for the purchase of a new parsonage, which is located one block south of the church. This gift was made by Miss Carry Haney, the lady who last year gave \$7,000 to free the church from debt. This splendid lady has since been taken to her reward. She also left an endowment that will perpetuate her support for current expenses.

Richland built a fine bungalow parsonage for their pastor at a cost of \$2,000. It is a beautiful home. Harry A. Wann, the pastor, will ask to be left without appointment to attend Drew Seminary. At Bethel, a country church that was formerly a point on the Amboy Circuit, a new parsonage has been completed at a cost of \$1,500. T. A. Van Camp is the pastor of this people. W. E. Hogan dedicated this parsonage March 3, at which time he raised a small balance due on the building. L. G. Jacobs has improved the parsonage at Sharpsville by installing a furnace, building a new veranda, garage, all at a cost of \$1,200. The parsonage home at Beamer Chapel, Kokomo, has been enlarged by adding a second story of, four good rooms. It is now a modern home, with furnace, bath, electric lights, and all conveniences of a city home. G. E. Meck and Dr. W. D. Parr, of Grace Church, have been promoting the good work at Beamer. Extensive improvements were made on the Center Church by J. C. Valentine. A new basement was put under the church, a new furnace installed and otherwise improved at a cost of \$1,400. Brother Valentine had a good revival at Nevada and will pay all his benevolences in full.

Pastors' Salaries.—Seventeen of the pastors in the distrct have had an increase in salary this year, amounting in all to \$2,400. Among those who have shared in this increase are W. B. Freeland, of Grace Church, Kokomo; E. B. Megenity, Beamer Chapel, Kokomo; J. C. Valentine, of Center; E. H. Kennedy, of Amboy; C. E. Dunlap, of Anoka; A. E. Leese, of Galveston; G. E. Garrison, of Macy; John F. Edwards, of Russiaville; Edgar Moore, of West Middleton; C. W. Chadwick, of Bunker Hill; U. S. Hartley, of Hobbs, and L. G. Jacobs, of Sharpsville. The estimating committees of seventeen of the charges have already reported raises in salaries for next year amounting to over \$2,600.

Benevolent Collections.—The Educational campaign, put on last fall in the interest of our regular Disciplinary and Conference collections, was the most far-reaching in its results and the best we have ever had. The cooperative movement carried forward by the district superintendents of the Conference was especially helpful in the Logansport District. Our meeting was held in Main Street Church, Kokomo, and was attended by hundreds of our most influential laymen from every part of the district. This large church was full from ten o'clock in the morning till the close of the evening service. The five district superintendents that spoke made very inspiring the provided the set of the set of

The I pworth Leagues of the district have continued the support of Rev. I Cottingham, a district superintendent on the Philippine Islands. Grace Church, Kokomo, supports a district superintendent in Bolivia, S. A. Pern Church supports a missionary also on the parish-abroad plan. The duplex system of collections has added greatly to the stability of our giving to the erest Benevolent Boards of the church. The campaign that was put on for \$3,000 for the Indiana Hospital was a great success. Every charge met its apportionment in full, and more. Forty-five hundred dollars was secured: \$2,852 has been paid in cash.

Revivals.—Notwithstanding the many difficulties under which our pastors labored this year, the revival fires have been burning. The spiritual life of our people has been deepened and 752 have been converted. The net increase in the membership has been 506. J. F. Edwards, of Russiaville, had a good revival at each point on the charge, at which sixty were converted and joined the church. The salary will be put at \$1,300 if he returns. E. E. Trippeer has had twenty conversions and eighty-nine accessions at Main Street, Kokomo. This church has been put on a good financial basis and its benevolences increased 35 per cent over last year. The Sunday school has an average of five hundred, and the congregations are the largest in the history of the church.

The tabernacle meetings this year have not been a great success. Each year's observation confirms a deep conviction that I have had for years, that the one true way to promote evangelism is for the pastor of each individual church to conduct his own meeting.

The subsidiary organizations of the church have done their full share to make this year's work a success in the Logansport District. The Ladies' Aid has been especially helpful. They have raised \$14,500 during the year, and have contributed in many other ways to the welfare of the Kingdom.

The W. F. M. S. has had a prosperous year, meeting all their obligations and added five new auxiliaries to their number. The W. H. M. S. has been aggressive and given a good account of themselves. They will hold their Conference convention at Grace Church, Kokomo, this year.

Paying of Debts.—Four years ago Logansport District reported \$74,260 indebtedness. All but \$4,100 of the debts that then existed have been paid. Two thirds of the debts made since then have been paid. Only one large debt remains, and that was made this year. Windfall deserves special mention for the way they have handled their financial problems. With a membership of about two hundred they built a church that cost \$27,000 and a parsonage that cost \$3,000. Four years from the day they dedicated they paid the last dollar of debt. B. M. Bechdolt, the pastor, this year has led in the final round-up for the last \$5,000. It was all collected in cash by September 30, and this was made a great day for this heroic church. They have set Brother Bechdolt's salary at \$1,200 for next year. W. A. Griest has reduced the debt at Elwood.

District Meetings.—The Epworth Leagues of the district held a very helpful convention at Macy in June. The attendance was large and a good program was rendered. Dr. Fred B. Fisher very ably represented our missionary interests at that meeting. Our Leaguers furnished their full share of students at the Wawasee Institute at their annual meeting in July.

Our District Conference was held at Bunker Hill, February 27 and 28 and March I. We were fortunate in having an excellent program. Two of the addresses were made by Bishop Nicholson. These addresses were strong and very timely. They gave us a real uplift. We were also favored by the presence and addresses of Drs. J. W. Van Cleve, G. B. Dean, W. H. Hollingshe of R. S. Cushman, and U. G. Leazenby. Four were given license to preach and nincteen had their license renewed. **Prospective.**—It requires a steady nerve and an overmastering faith to look steadfastly into our future. Unless our hearts be aflame with the passion of our Lord, and unless we catch the spirit of sacrifice from him, we will not be sufficient for these things.

The initial Centenary drive will be put on in the Logansport District the first four weeks of the new Conference year. This will be the drive of Christian Stewardship, as outlined by Dr. Cushman, of the Centenary Commission. We hope this will prepare the way for the very important matters that are to follow.

I feel a deep sense of appreciation to the pastors of the district for the faithful and loyal support they have given me in all the work we have tried to do. If the work has prospered, it is because of their faithful labors.

#### MUNCIE DISTRICT.

#### James A. Beatty, District Superintendent.

Dear Bishop and Brethren: In making my second annual report of Muncie District I am recording the doings of the most momentous year of our Conference and of American history. In saying this I am perfectly con-

scious of the stirring events of our beginning as a nation and the crucial days of the Civil War and the marvelous inventions of the past century.

In these fighting days the church is recounting some victories. God's truth is marching on. Of the twenty-nine Conference men and eleven supplies appointed by Bishop Nicholson one year ago at Huntington thirty-four have remained at the task and ready to make outstanding reports. Three of our young men answered to the call of their country and have gone into Y. M. C. A. army work. Earl Pittenger was released from Middletown August 21, and since the first of January has been in France. Under the date of September 5 Bishop Henderson transferred W. V. Meredith from the Detroit Conference and Bishop Nicholson appointed him associate pastor at High Street, Muncie, where he did splendid work until he was released to go into the Y. M.

James A. Beatty.

C. A. army work and is now in El Paso, Tex. H. A. Kirk, supply on the Noblesville Circuit, was the third to be released, February 10, for this patriotic service and is in San Antonio, Tex. These young men are among the bravest of the brave.

Three of our pastors have made the large contribution of four noble sons to our country's service to make the world safe for democracy. They are as follows: Drs. J. H. Palmer and Patterson, one each; and Rev. C. M. Hobbs, two.

W. M. Hollopeter was released from Noble Street, Anderson, June 10, on account of the delicate condition of his wife's health. After supplying the charge for two months, E. J. Wickersham, having completed his course at De Pauw University, was placed in charge, and in a few months' time has brought the charge to a good state of efficiency. offering an increase in salary of \$200 for next year. J. L. Murr was released from Indiana Avenue, Anderson, September 9, and was immediately appointed to take up the work at Middletown, and is closing out a good year. Homer Wright, a local preacher from the Indiana Conference, was secured to complete the year at Indiana Avenue. Arthur Carroll took his leave from Grace Church, Anderson, the last of October to accept a good promotion in Iowa. L. H. Nixon, a student in Taylor University and a son of one of our prominent pastors in Detroit Conference, was appointed to complete the year. E. E. Crabtree

Death Toll. While death has not invaded our parsonage homes, the in s been unusually heavy in the ranks of our retired families. The cell was made Friday night, August 31, when Dr. Isaac W. Singer was ever of from a bed of suffering of several months' duration. His patience in ong, as he looked longingly into eternity, was just what we might expect from a man who had so worthily exemplified his Christ in his life and to rethin.

Rev. Joshua E. Ervin had just stepped across the threshold into the new year when the Master called him to that better home for which he was so well prepared. Beautiful in their lives together, six weeks later Sister Ervin joined him on the other side. They were weeks of waiting and longing, ter when he was gone she could not control her desire to be with him and her dear Lord. Brother Ervin was one of the strong, princely men of our conference, with the Word written on the tablets of his memory and beautiully exemplified in his every-day life.

Three weeks later, January 23, God let down another of his twenty thousand chariots and invited Rev. A. M. Patterson to step in. He was ready and waiting. He had been having peeps into heaven and was charmed with the outlook and longed to be there. He wrought a good work in our Conference.

Mrs. Elizabeth Stephens, wife of Rev. Phillip S. Stephens, of Lapel, after a brief illness in the late autumn was called from labor to reward, leaving Brother Stephens, at his advanced age, sorrowing and lonely. The death of Rev. Phillip S. Stephens was announced the second day of our Conference. Rev. P. E. Greenwalt and Rev. Charles Tinkham went to Lapel to conduct the funeral.

Retired Preachers.—Muncie District is blessed and helped and honored by having fourteen retired preachers and their families enrolled with us. Four of them are living outside the bounds of the district. Dr. W. F. Walker, who served thirty-one years as a missionary in China, is now sick in our Methodist Hospital in Indianapolis. Sister Walker writes, he served a church two and a half miles out from their home in Irvington and many times walked the entire distance. He received several people into the church, which added to his happiness.

Special Appointments.—Our Quarterly Conferences are honored by having five of our members in special service: Dr. Fred B. Fisher, executive chairman India Mass Movement Commission; Prof. H. B. Gough, teacher in De Pauw University; Rev. C. J. Everson, field secretary of the Anti-Saloon League; Rev. E. B. Westhafer, Conference evangelist; Rev. Fremont E. Fribley, student pastor in Purdue University.

Hospital.—The district completed its hospital campaign this year. Our apportionment of \$5,000 was fully met, with a surplus of \$110. Dr. T. J. Johnson, our Conference field secretary, was a most efficient helper. This campaign has made many friends for the hospital, as our gifts have tied us up more closely to it. Under the wise superintendency of Dr. C. S. Woods this institution is having a phenomenal growth. The cash paid in on pledges this Conference year totals \$2,966.85.

Church Improvements.—Early in the Conference year Dr. John Wesley Potter and his official board set out for extensive improvements in First Church, Anderson. New art-glass windows have been installed, which reproduce Hoffman's "Christ Answering the Doctors," "Christ at the Door," "Christ in Gethsemane." The church was revamped throughout, redecorated, woodwork cleaned and given a coat of dull varnish; the old carpet was discarded and the floor resurfaced and stained to correspond with the oak furniture; new electric lights were added, giving the church a beautiful and artistic appearance. Extensive improvements were made in the basement, enlarging the dining-room and equipping the various departments of the Sunday-school work. The total cost was \$6,600. There was an accumu-Lated indebtedness of \$3.000. September 16 was reopening day, when Dr. Potter preached and raised \$11,000, which gave them a fine margin for shrinkace and interest. This is now one of the best equipped, most attractive churches in our Conference. The total amount of money raised and paid this year was over \$18,000. Daleville has secured a parsonage property at a cost of \$1,000, and now they will claim some good preacher to take up his abode with them. Mrs. A. G. Kiger took the lead in this fine movement and furnished a good portion of the money to make it possible.

Pendleton has installed a fine new pipe organ costing \$2,500. This charge increased its pastor's salary \$500 and has gone forward with leaps and bounds. With this splendid equipment for music and good gospel sermons by Rev. J. A. Patterson, pastor and people are mutually happy.

Notwithstanding the high cost of building material and lack of laborers Rev. Bert E. Joues launched a building enterprise on the Perkinsville charge. The heroic people at Harvey's Chapel rebuilt their church, putting in a fine basement and otherwise making a modern, up-to-date church out of it. The cost was \$3,500. It was the happy privilege of the district superintendent to rededicate this church December 16, and this rural community is now equipped to do a larger service for the King.

Avondale, Muncie, has completed a fine basement, placed a new piano in the church, fitted up a bathroom in the parsonage with modern equipments at a cost of \$1,150. Rev. G. N. Callaway is the aggressive pastor leading this people out on a larger program.

Many other churches have made improvements with smaller amounts, the total of which is \$23,919.

**Debts Paid.**—This does not seem to have been an exceptionally good year for relieving indebtedness. Only \$10,113 have been paid, and most of that from three churches, viz.: Grace Church, Anderson; Lapel; and First Church, Noblesville.

**Revivals and Membership.**—Evangelistic services have been seriously interfered with this year on account of the severity of the winter and the fuel shortage. Some great campaigns were launched at High Street, Muncie, with Dr. Honeywell and his party: First Church, Noblesville, with Evangelist Eddie Thomas: and Summitville, with Dr. Ostrom. Every pastor seemed to be imbued with the evangelistic spirit and began his meetings with fine prospects, but when about ready to reap results they were closed down for lack of fuel or kept from the services because of extremely low temperature, or because the streets and highways were blocked with snow so people could not reach the church. Some of the pastors wisely held their meetings early and others after the extremely cold weather. Many of the churches observed Passion Week with good results.

Over seven hundred conversions and reclamations have been reported, as follows: Albany, 20; Albany Circuit, 27; Mexandria, 15; Mexandria Circuit, 15; First Church, Anderson, 50; Indiana Avenne, 15; Park Place, 27; Daleville and Florida, 25; De Soto, 40; Eaton, 18; Fortville, 41; Jolietville, 40; Avondale, Muncie, 22; High Street, 50; Normal City, 11; First Church, Noblesville, 55; Noblesville Circuit, 15; Shideler, 36; Summitville, 14; Summitville Circuit, 17; Yorktown, 15. Other charges report smaller numbers.

**Church Organizations.**—We are still encouraged with the forward movement of our Sunday schools. They are all using our church literature except two, and they persist in their disloyalty. We are more and more coming to the graded system, which means a higher state of efficiency.

The pastors report thirty-five Epworth League Chapters, with an enrollment of over fifteen hundred members. These young people have raised about \$1,100 missionary money, and many of the chapters are invaluable supports to the pastors. A great program is being planned for June 18 to 20 at our district convention to be held in Alexandria.

The Junior League reports show 15 Chapters, with an enrollment of 746.

The women's societies are keeping pace with the aggressiveness of the times. The Ladies' Aid Societies have done their usual good work in expending about \$10,000 in improving churches and parsonages.

The Woman's Foreign and Home Missionary Societies have gone forward with unusual rapidity, raising a total of \$6,552. The Woman's Foreign Missionary Society at High Street, Muncie, accounts for \$1,261 of this amount, making an average of \$6 plus per member for this auxiliary.

**Finance and Benevclence.**—Twenty-two charges in the district increased their pastoral support by \$4,465; other increases in ministerial support makes a total of \$4,765. The churches are calling for an efficient ministry, and if

portioned between the small balance in the treasury. It is the purpose of this great church next year to maintain a missionary in the foreign

The campaign for our benevolences has been quite out of the ordinary. The campaign for our benevolences has been quite out of the ordinary. At the beginning of the year we fixed our goal, "All benevolences paid in full." We have worked steadily to that end. Dr. James M. Taylor furnished us a fine missionary team, which proved both educational and inspirational. Fight group meetings were held by this team; then it was picked up by the pastors of these eight groups and carried into every church in the district. That was followed by our Settlement Day and Evangelistic Conference, and that elimaxed by our District Conference, set the fires burning all over the district. We are able to report not only every charge in the district "pulled up" over last year, but every charge "went over the top," with all Disciplinary benevolences paid in full and Conference benevolences advanced. Muncie District has made a distinct and outstanding record in the Methodist Episcopal Church. Only one other district in the whole connection has paid the full apportionment, and then some of the charges did not pay as much as the year previous. Our record is distinct in both items. The total gain in Disciplinary benevolences is \$6,016, and over \$1,200 in Conference benevolences.

I want to record a debt of gratitude to Rev. P. E. Greenwalt, the district superintendent, for his invaluable help in the campaign through to completion. He gave much time from his own charge in formulating plans and doing team work which not only brought the desired results, but will be of great value in the coming years.

Special Gift.—The district has a special gift of \$5,576.29 to the Foreign Missionary Society from Miss Lucy J. Alden, of Noblesville. Miss Alden went to her crowning ten years ago, but left her estate to her brother, J. W. Alden during his lifetime. In 1915 he died, but the final settlement of the estate did not come until this year. This fine gift is due to the good work of Rev. L. M. Krider, who was pastor on this charge at that time.

District Meetings.—Four district meetings were held during the year. Our first meeting was with the pastors and district stewards, which convened in Anderson, April 24. Methods were discussed and plans were laid for the year's work.

The second was held at First Church, Anderson, and addresses were made by the following district superintendents: Drs. Martin, Wade, Hollopeter, Light, and Marble. This being the central meeting for our benevolent campaign, the district was organized into eight groups, with a chairman and secretary of each group, and a two weeks' educational campaign was launched. Eight group meetings were held with the following missionaries: Dr. E. B. Caldwell, of China, team leader; Rev. H. M. Swan, of India; Rev. T. O. O'Ferrell, of Africa; and Rev. Fred M. Perril, of India. The pastors then completed the work, holding a meeting in every church in the district.

The third meeting was the Settlement Day and Evangelistic Conference held December 3. The program was full of interest and characterized by enthusiasm and spiritual fervor.

The fourth was the District Conference held at Middletown, February 27, 28, and March I. It was splendidly entertained by the pastor, Rev. J. L. Murr, and the fine people of this little city. The opening sermon was preached by Rev. Sherman Powell. Rev. Ralph S. Cushman, of the Stewardship Department of the Centenary Drive, brought us a great message, and the district adopted a resolution indorsing the plan submitted, and pledged the district to a simultaneous campaign to carrying out the program. Mrs. Florence Binford, of Greenfield, and Mrs. J. C. White, of Marion, stirred the Conference to a larger interest in the Woman's Home and Foreign Missionary Societies. Dr. J. W. Van Cleve, general secretary of the Commission

on Finance, brought us a working program which we hope to adopt in every church. Dr. W. B. Hollingshead, of international fame, gave us the facts in figures, red and black, and humiliated us and thrilled us and inspired us and helped us. Rev. R. A. Morrison, now doing an outstanding piece of work in the Goshen District in the interest of the Preacher's Aid Society, represented this important work in a masterly way. The climactic service came on the closing night. The house was filled to its capacity. The music was fine, with orchestra and choir and congregation. Bishop Nicholson, the speaker, was at his best and carried us into the realm of world vision. Then the great congregation sang "All hail the power of Jesus' name" and fittingly closed the greatest District Conference many of us have ever witnessed.

A Final Word.—May I say in closing, the supreme need of the church to-day is a wise, devoted, spiritual leadership? Pastors and people must par-take of the sacrificial spirit of the Master. His life terminated on others. These days are teaching us that life is not one continuous holiday, or the deeper joys will be lacking. The real felicity of life comes not by shifting burdens, but by sharing them. We must pass through the dark night of Calvary before we reach the Mount of Ascension.

"I must go on in the blood-sprinkled way,

- The path that the Saviour trod.
- If I ever climb to the heights sublime, Where the soul is at home with God."

"If any man would be my disciple, let him deny himself and take up his cross and follow me." "These things have I said unto you, that my joy may be in you, and that your joy may be full."

### RICHMOND DISTRICT.

### Somerville Light, District Superintendent,

Bishop Nicholson and Beloved Brethren of the North Indiana Conference: Thirty-nine of the forty men appointed at the Huntington Conference to serve the church and the Christ of the

church in Richmond District have remained in place, loyal, devoted, and true to the standards and ideals of the gospel of the Son of God. About the first of October, R. S. Shaw surrendered the Charlottesville charge and put himself in training for Y. M. C. A. work in the army. Rev. M. R. Peirce, one of our retired ministers residing in Greenfield, took charge and gave good service for the remainder of the year. With but two exceptions the parsonage homes have been unusually free from serious illness. In the report of last year reference was made to the incurable affliction of Mrs. Roahrig, wife of our pastor on Winchester Circuit. In the later summer this faithful Christian woman was released from her great suffering and went to be with her Saviour, whom she had trusted throughout her useful life. The wife of Brother A. F. Hogan, of Pennville, a sufferer for months, was taken to the hos-

pital for an operation in early summer. Her affliction yielded to skillful surgery, and she now appears to be in good health. Elizabeth True Smith came to C. E. Smith and wife, John W. Barrett to M. E. and Mrs. Barrett, Wesley Stanton Erwin to the Erwins, Loren Wolfe Gruber to Pastor and Mrs. Gruber, and Ralph Wilbur Phillips to the Phillips home in Farmland.

Retired Preachers.—Two Supernumerary and five Retired Ministers are enrolled with us. Dr. G. H. Hill resides in Indianapolis, Dr. F. G. Browne in New Castle, Brother Sylvester Billheimer on his farm near Hagerstown.

District Meetings .--- The unusually well attended enthusiastic pastors' responses of the second ubits relation to that of the entire denomination, was clearly outlined and in ptod by both laymen and ministers. I am glad to say that in spite of many hudrances the program has been carried into effect to a degree heretotote inknown in this district. The Board of District Stewards have given to be serient to, and practically all of the charges have adopted and are worden a m whole or in part, the Disciplinary Financial Plan. The District Lp south League convention was held in Farmland the 13th and 14th of June. On account of severe illness, for the first time in his ministry the district superintendent was forced to forego the pleasure of being in attendance upon a district meeting. The pastors and Epworthians stood loyally by and made the convention instructive and inspiring. The chapters are united in an effort for the generous support of our district medical missionary, Dr. George D. Lowry. Though far removed from the beautiful Lake Wawasee, Richmond District sent a good delegation to the institute last July and is planning to mercase the attendance this season.

Church in Action Campaign.—September 28 to October 12. This campaign, planned by the District Executive Committee, the chairmen and secreturies of the six divisions, the missionary secretary, H. L. Overdeer, and the district superintendent, was the most successful and farthest reaching in positive influence for good of any similar district movement with which I have been identified. Dr. James M. Taylor, of New York, with six returned missionaries gave us par excellence service from the beginning to the end of the campaign. As usual, every church in the district was visited. The people responded with a record-breaking attendance totaling 29.053; increase in attendance over last year of 7.700. Total offering for district extension work, \$554.47; an increase of \$153.68 over the former year.

Settlement Day.—This day is becoming increasingly interesting and helpful. The meeting this year was held in Spiceland, December 4. Every pastor save one was present. The district stewards responded in fine way. The Disciplinary Financial Plan was freely discussed by pastors and laymen, and to the joy of the district superintendent it was discovered that certain representative laymen present were among its most ardent supporters.

District Conference.-Time fails me to speak at length with reference to this great District Conference. However, in passing, I make bold to say that in my humble opinion the programs sent out to the people of the six districts composing North Indiana Conference were, all things considered, the strongest ever sent out to call the people to the standards of the denomination. Bishop Nicholson, of the Chicago area; Dr. M. P. Burns, of the Board of Home Missions; Dr. J. W. Vancleve, secretary of the Commission on Finance; Dr. W. B. Hollingshead, representing the Centenary Drive; Dr. George B. Dean, of the Department of Evangelism; Dr. R. S. Cushman, champion of Christian Stewardship, and our R. A. Morrison, secretary of the Preachers' Aid Society, sounded the call for \$600,000 for the Retired Ministers' Endowment Fund. The strong district spirit in Richmond District was evidenced by the fact that forty of the forty pastors were in attendance, and, as might have been expected from a leadership like that, large numbers of laymen were present from every section of the district. Pastor Williams, with the good people of Redkey, proved to be a royal host. From the opening service on Tuesday night, when Bishop Nicholson gave his great message on "The Spiritual Forces That Are Being Released by the War" to the closing service on Thursday night, the speakers were accorded an eninvsiastic hearing. It was evident that preachers and laymen alike were there on the "King's business." Resolutions urging President Wilson to establish national prohibition as a war measure, and strongly indorsing the great Centenary Drive were unanimously adopted. Three young men were licensed to preach and the same number recommended to the Annual Conference for admission on trial.

The Departmental Work of the Churches .--- The Sunday schools, eightytwo in number, are constantly improving in organization and efficiency. The truth is that our Sunday schools need not less of the teaching, but more and more of the preaching of the Word of God. This is especially true in the larger towns and cities. Woe betide the church of to-morrow it this matter continues to be neglected by Sunday-school workers and parents. Practically all of our schools use Methodist literature. With but one or two exceptions, they are organized into missionary societies. All contribute to missions. Their offerings this year total \$2,627; a gain over last year of \$763. The school of First Church, Portland, leads with \$200; Grace Church, Richmond, second, with \$153; the schools of Winchester Circuit third, with \$140. We have thirty-four Senior Epworth League Chapters, a gain of two Chapters, with a membership of 1,728; a gain of 291. Fifteen Junior Chapters report about seven hundred members. The seventy-six Ladies' Aid Societies have raised \$10,708 and, as usual, have expended the greater part in helping the dear brethren over the difficult pathway of modern church life beset by old church debts, much-needed and long-deferred improvements, sleep-dis-turbing deficits in pastors' salaries, etc. The Woman's Home and Foreign Missionary Societies have done a good year's work. Their district conventions were well attended and full of enthusiasm and, best of all, their pledges were reported paid in full and larger obligations taken for the next year. New auxiliaries have been organized, and their combined offerings total \$5,745, a good gain over last year.

**Evangelism and Membership.**—Weather conditions and fuel shortage contended every inch of the ground the entire season usually set apart by the pastors for protracted evangelism. However, a few good revivals have been held. About 700 have been converted and reclaimed, and 760 received into the church, exclusive of a large number received during Passion Week. The most extensive revivals were at Hagerstown, J. W. Gruber, pastor, 77: Portland, Henry Lacy, pastor, 55: Modoc, C. E. Smith, pastor, 39: Union City, Arthur Cates, pastor, 35: Ridgeville, D. C. Beatty, pastor, 20: Dublin, Victor Stoner, pastor, 29: Millgrove, F. A. Shipley, pastor, 26: Losantville, W. O. Power, pastor, 25: Williamsburg, Louis Ulmer, pastor, 25. The other pastors report conversions ranging from nineteen to four. While the net increase in membership is not large, the district is able to report a substantial gain.

Church Literature.—The people on this district are slowly coming to appreciate our own church literature. The Western Christian Advocate list shows a gain of 147. The Epworth Herald also shows an advance over last year.

**Debts Paid.**—Sunday, October 7, the jubilant people of Wilkinson, Fred Chelan, pastor, burned notes and mortgages amounting to \$1,800, thereby disposing of an old and troublesome matter. The district superintendent joined in the festivities by giving the address for this happy occasion. In November the indebtedness of \$1,035 on the Ada new church, Greenfield, was provided for, and the pastor, E. L. Gates, followed with an earnest, honest effort to bring the people up to the larger program of the church. Other charges paid debts as follows: Lynn, \$3,000; Dunkirk, \$700; Cambridge City, \$754; Saratoga, \$328; Redkey, \$281; Markleville, \$250; Philadelphia, \$224; Fountain City, \$100; Spiceland, \$100. Several other charges have paid smaller amounts, totaling \$8,630.

Buildings and Improvements.—Sunday afternoon, October 7, in response to the call of the brave, progressive people of Grace Church, Richmond, the district superintendent gave the address and, with the pastor, 11, L. Overdeer, Rev. R. L. Semans, of First Church, and other ministers of the district, conducted the ceremonies attending the laying of the cornerstone of a magnificent \$50,000 church with modern furnishings and equipment throughout. I shall not even attempt a description of this great church now approaching completion. Bishop Nicholson is to preach and conduct the dedicatory services Sunday morning, May 26, 1918. The church at to wisvalle. M. F. Barrett, pastor, was redecorated and otherwise beautified at an expense of about \$700. The district superintendent reopened this clauch Sunday, July 1. This charge was made a station last spring and has chousti ted that no mistake was registered. At Greensboro, on the Kennard charge, C. A. Mitchell, pastor, a new \$5,000 church is being erected and will be ready for dedication early in the coming Conference year. At cost of about \$5,000 at Redkey, D. V. Williams, pastor, a complete, well-formshol basement has been put in. Furnace-room, kitchen, dining-room, range, dishes, silverware, etc. This improvement, with the new heating system and redecorated auditorium and modern Sunday-school apartments, makes this one of the best churches of its size in the Conference. We are expecting this charge to come back. In September the people of the Losantville charge, W. O. Power, pastor, purchased a good parsonage home in the best location in the town. The cost was \$2,150, which was subscribed and paid. Soon after Conference, Pastor Franklin and wife, of the Willow Branch charge, will be happily housed in a new \$3,500 parsonage now nearing completion. As usual, Brother O. P. Van Y, of Maxwell, is building a beautiin \$3,000 parsonage, which will face the magnificent school building of that village. The people at Chester, on the Williamsburg charge, Louis Ulmer, pastor, ask to be made the head of a charge, and as an assurance that they mean business have purchased a house for a parsonage at a cost of \$1,600. Chester and Middleboro will constitute this new two-point charge, which will pay \$000 and house the first year. Other improvements on churches and parsonages are as follows: New Castle, \$1,300; Dunkirk, \$500; Portland, \$550; Fountain City, \$450; Modoc, \$445; Winchester Circuit, \$450; Greenfield, \$300; Spiceland, \$205; Ridgeville, \$275; Richmond, Third Church, \$229; Winchester, \$210; Salamonia, \$171; and Shirley, \$100; and numerous smaller improvements representing, when fully paid for, an expenditure of \$99,225.

Salaries .- At the opening of this Conference year the following charges advanced their salaries, these advances ranging from \$25 to \$400: Centerville, Charlottesville, Dublin and Straughns, Economy, Fountain City, Lewisville, Losantville, Markleville, Maxwell, New Castle, Philadelphia, Portland, Richmond (First Church), Richmond (Grace Church), Richmond (Third Church), Ridgeville, Union City, Willow Branch, Winchester, and Winchester Circuit. These twenty charges represent a cash salary advance of \$4.355. The total advance for the three years is \$13,155 for pastors, \$2.427 for Conference claimants, and \$201 for the Episcopal Fund; a grand total, including the advance in the district superintendent's claim, of \$16,504. The first year fifteen charges advanced; the second, nineteen charges; the third, twenty charges. Thirty-eight of the forty are represented. The two to be heard from have recently moved to make it unanimous and are written down with several repeaters for next year. The following charges have advanced for next year: Centerville becomes a station, paying \$1,000; Greensfork and Williamsburg join hands and advance to at least \$1,100; Economy advances another \$100, to \$1,200; Losantville another \$100, to \$875; McCordsville another \$100, to \$800; Millgrove advances \$200, to \$1,000; Modoc adds \$200, making it \$1,000; New Castle makes the third advance, to \$2,000; Portland Circuit adds \$200, making it \$1,200; Richmond, Third Church, becomes a station,  $\$_{1,000}$ ; Shirley advances  $\$_{200}$ , to  $\$_{1,000}$ ; Spiceland advances  $\$_{200}$ , to  $\$_{1,000}$ ; Willow Branch  $\$_{200}$ , to  $\$_{1,200}$ . The five supply men of the district now receive an average cash salary of \$910. The thirty-five men in Conference relation receive \$1.165.

The Benevolences.—If the pastors' reports to the Conference treasurer coincide with their annual reports to me, every charge on the district has made a good advance over last year on the apportioned benevolences. This

is the goal we long have sought, and mourned because we attained it not. To tell the truth, we tried to make a drive toward the top level of all appor-tionments for the eight boards at least in full. The latest word from the front was to the effect that thirty-two of the forty charges had gone over the top. Last year only twelve charges paid in full; a good gain, but where are the eight? The charges paying in full are as follows, in order: Grace Church, Richmond, which invites you, not only builds a fine church in which to house you, but also helps to hold the standard of district and Conference high by leading the district in offerings for benevolences: New Castle, Portland, Greenfield, Union City, Knightstown, Winchester, Dunkirk, Farmland, Lo-santville, Pennville, McCordsville, Cambridge City, Economy, Lewisville, Maxwell, Centerville, Kennard, Hagerstown, Markleville, Millgrove, Ridgeville, Spiceland, Williamsburg, Winchester Circuit, Willow Branch, Philadelphia, Dublin and Straughns, Richmond (Third Church), Lynn, and Modoc. With but one exception, all of the upper appointments are in this honor column. Oh, if we only had this one, and the other two stations and five circuits! However, I am glad to say those charges advanced over last year and, of course, are entitled to special mention: First Church (Richmond), Redkev, Parker, Charlottesville, Portland Circuit, Saratoga, and Shirley. For the eight boards we gave last year \$10,088; this year, \$15,424; a gain of \$4,436. For the Disciplinary benevolences, ten causes, we gave last year \$1,60; this year, \$21,160; a gain of \$5,556. For the three years the showing is as follows: 1914, eight boards, \$7,741; 1918, \$15,424—gain, \$7,683. Disciplinary benevolences: 1914, \$11,548; 1918, \$21,169—gain, \$10,621. Partial reports from the pastors give the war column a credit for \$10,451. For all causes, at home and abroad, the churches of this district gave this year \$145.590; \$11.71 per capita.

**Clesing Words.**—Bishop Nicholson, I cannot find words with which to express my appreciation of and confidence in the good pastors with whom I have been permitted to toil this year. They have struggled manfully through one of the most peculiar and trying years in the recent history of this Conference: they have cheerfully, courageously, and successfully addressed themselves to the tasks of the denomination in one of the most difficult and trying fields in the great Middle West. In addition to this I am glad to say they have identified themselves with the local community war drives, and thereby kept Methodism in its rightful relation to the nation's struggle to hold Christian civilization steady throughout the world. As I stand with them facing another Conference year I am sure I am safe in saying you may count on us for the program of the Chicago area and the entire Methodism of the age. Let us hear again the solemn words:

"He hath sounded forth the trumpet that shall never call retreat;

He is sifting out the hearts of men before the judgment seat;

O, be swift my soul, to answer him; be jubilant, my feet.

Our God is marching on."

### WABASH DISTRICT.

### M. S. Marble, District Superintendent.

Bishop Nicholson and Members of the North Indiana Conference—Dear Brethren: All preachers and laymen in the Wabash District, including scores who are of German lineage, are loyal to the flag in our great struggle for democracy, which is the political expression of Christianity as taught and practiced by the Christ.

The fixing of the appointments one year ago enabled us to welcome the following men from the Richmond District: R. H. Wehrly, A. C. Wischmeier, J. P. Channess, J. W. Zerbe, and Leroy Huddleston; from the Goshen District, J. C. White. These men found difficult and delicate tasks awaiting them, which they have performed with diplomatic skill, and as a result their reports will show that the church has been advanced in their respective fields.

E. A. Hartman, appointed to the Warren Circuit, soon decided that he would ask the Conference for a certificate of location it its next session, and did not go to his charge. J. II. Overmyer, a local preacher residing in Tipton, was employed to supply the Warren Circuit. He gave up the work on September 2. On October 26, K. A. Hawkins, a local preacher residing in Ft. Wayne, was employed to supply the charge. He began his work on November 3 and has a unanimous invitation to return.

District Program.-One year ago the District Conference adopted a district program, the spirit and leading features of which have been maintained and realized.

District and Group Meetings .- On May 31 the pastors and district stewinds convened in Wabash, at which meeting much business relating to the Opension of our work was transacted.

A district convention of the Woman's Home Missionary Society, Mrs. U. F. Youse presiding, was held at Jonesboro on June 13.

A group meeting of pastors north of the Wabash River, not including Huntington, was held in North Manchester on June 15. In satisfaction,

protit, and inspiration this meeting exceeded expectation. At the middle of October the Woman's Foreign Missionary Society held edistrict meeting under the presidency of Mrs. T. M. Guild, at Fairmount. Us clucational value is seen in the missionary spirit throughout the district

On October 24 and 25 our District Lyceum was held at Larwill. Notwithstanding the large number of district and group meetings attended by the pristors, this lyceum proved to be so full of interest that the men with short cuthusiasm voted to continue its existence and to hold its next session

Settlement Days maintain their popularity and were held as follows: Docember 3, at Marion: December 4, at Huntington; December 5, at Columbia City. The district is indebted to Drs. White, Guild, and Swisher for speand services ably rendered by each at each place during these meetings.

Every pastor attended the meeting in Wabash, First Church, on Septem-Ur 5, in the interest of militant Methodism. Laymen from nearly every For a in the interest of militant Methodism. representing the Preachers' Aid Society, did us great service. The address of our Bishop Nicholson will abide with us as an inspiration through coming years. Leroy Huddleston and his splendid people cared for us in the exercise of fine hospitality.

A great district convention of Epworth League was held in Andrews, where L. H. Ice and his noble band of young people gave us a royal welcome, on June 19 and 20. I delivered an address at Epworth League Booth Festival, at Wabash, on September 3.

**Special Service Rendered.**—My duty as a member of the Joint Commission on Students' Pastor for Purdue University called me to Lafayette on May 10, and again on May 17. The outcome of these meetings was the incorporation of the Wesley Foundation for Purdue University. We ought now to have an endowment of at least \$100,000 for this foundation.

On call of Governor Goodrich, 1 attended war meeting at Indianapolis on May 15.

On May 22 I met the Inter-Board Conference as proxy for E. C. E. Dorion, representing the Board of Conference Claimants, in Chicago Beach Hotel, Chicago.

On June 7, met J. B. Hingeley, R. A. Morrison, and the Conference Cabinet in Marion.

On June 27, in Buffalo, N. Y., I met a committee on program for Annual Conference Agents' Convention to be held in Chicago in August. Spent August 22, 23, and 24 in attendance upon this convention, which, in the long run, will prove to be one of the most profitable meetings of its kind ever held.

With the Cabinet I campaigned the entire Conference in the interest of militant Methodism, speaking at Goshen on September 20, Ft. Wayne on September 21; presiding at Wabash on September 25; speaking at Kokomo on September 26, at Anderson on September 27, and closing my part of the campaign with an address at New Castle on September 28.

Attended the dedicatory service of the Methodist Hospital in Indianapolis on October 15 and the Mid-Year Institute at Kokomo on October 17. Attended two regular meetings of the Board of Trustees of the Methodist Memorial Home in Warren. Met the Cabinet at Muncie on December 20, also the Cabinet and Conference Examining Board at Kokomo on January 9. Met a hospital committee at Hope Hospital in Ft. Wayne on February 1.

On February 5, 6, and 7 I attended the conference of superintendents of the Chicago area, under the presidency of Bishop Nicholson, in the auditorium of the Methodist Book Concern in Chicago.

Notwithstanding these and many other calls for diversified endeavor I have kept the regular schedule of Sunday services and Quarterly Conferences, with but little variation. My health has been equal to the task, for which I am devotedly thankful.

**Hespital Building Fund.**—Met hospital committees in Wabash on June 12, at which time an organization for campaign for building fund was made. The campaign was successfully completed in the early part of July under the skillful management of Dr. T. J. Johnson, representing the hospital.

During the year we have paid to this fund \$2,368.82. Several churches have paid their entire apportionment.

**Building and Improving.**—On June 10 our splendid church at Uniondale, with a seating capacity of 700 people, was dedicated by Dr. A. E. Smith, president of Ohio Northern University. The pastor, Leroy Huddleston, and his heroic people made creat personal sacrifices on this occasion.

his heroic people made great personal sacrifices on this occasion. On November 25, Dr. W. D. Parr dedicated one of the most complete of modern houses of worship for our aggressive, sacrificing, and resolute people in Churubusco. The pastor, R. H. Wehrly, gave it all possible attention.

Dr. Parr also conducted the reopening and dedicatory service of Charter Oak Church, on the Churubusco Circuit, where the pastor, F. P. Johnson, experienced the fruition of great hopes.

A new and modern bungalow parsonage has been erected by the Wabash Street congregation. The pastor, Dr. J. L. Gillard, and his estimable family now have the promise of one of the coziest and most attractive parsonage homes in the Conference.

A. D. Burket holds his people steadily to the building proposition at Sweetser.

r to Walcosh, was partly closed for cleaning, decorating of rout of floors, and installation of a new heating system. Suntowas reopening day. The faithful pastor, T. M. Guild, and the former pastor, were equal to all the demands of the occation of than Stopoo and rededicating the splendid building to the rout and joy of all the people. This is one congregation that held in Sunday during the severe weather.

Other improvements more or less extensive have been made by the folowing brethren: I. R. Godwin at Akron; J. T. Bean at Columbia City, new pipe boro: G. E. Hughes, new furnace in parsonage at La Fontaine; J. C. White, First Church, Marion, church decorated and parsonage ar Da Fontanic, J. C. Wille, First Church, Marion, church decorated and parsonage improved; D. J. Im-ler, addition to church, Home Park, Marion; J. W. Zerbe, Sunday-school room in Ninth Street Church, Marion, improved; F. P. Morris at Markle, rew lighting system: J. S. Newcombe, parsonage at Mentone; Arlington Singer, new Majestic furnace in church at Silver Lake; M. O. Lester inherited a church building at Warren, the interior of which, including new pipe organ, has just been almost destroyed by fire; J. O. Campbell, church in Van Buren. A recent windstorm tore the tower from Grace Church in Marion. David Wells, knowing the destructive power of wind as well as tire, had the building insured against tornado, and it will be repaired without expense to the congregation. J. J. Fred reports an improvement at Fair-mount; W. E. Murray, church repairs on the Huntington Circuit. C. M. Vawter made improvements on the Larwill charge; F. S. Young, new lightvawter made improvements on the Larwin enarge; F. S. Young, new light-ing system at Liberty Mills; J. F. Blocker, church at Roanoke; J. J. Fischer, hardwood floors for church in North Manchester. A. L. Myers reports property improvement at Sims; also C. B. Thomas at Point Isabel. C. E. White has improved the church property at Middle Street, Wabash. Improvements more than balance depreciation, and property valuation has been maintained, if not increased, in the district. It is here that the Ladies' Aid Society performs a large service, having raised for this and other purposes \$0.507 this year.

Woman's Work in the Church.—Our women's organizations, including the Woman's Foreign Missionary Society, the Woman's Home Missionary Society, and the Ladies' Aid Society, never demonstrated their loyalty and devotion by a larger scope of activity than to-day.

Ministerial Support.—Laymen are exercising a greater concern for the spiritual welfare of themselves and their families by providing a more adequate financial support for the man who ministers to them in spiritual things. Twelve charges have advanced their support for next year, and others will follow.

A careful survey of the philosophy of ecclesiasticism as exhibited by Methodism discloses the fact that the man of power, wielding the largest influence, enjoying the largest liberty and freedom in the highest sense of these terms, possessed with the possibility of grasping the largest opportunities, making himself the object of the confidence and the center of the affections of his people, is the pastor who does the work of a true shepherd of the flock. He obtains this liberty with a great price. It is the price paid by every one who would be God's best man for God's best service in the community.

The Epworth League.—This useful organization is doing fine work in many of our charges. Our young people are the hope of the church and equal to the best in the land, which entitles them to the best service the church can render.

Moral and Religious Education.—While the dissemination of moral and religious education is not limited to the Sunday school, nevertheless this organization centralizes its forces and focalizes them upon the individual. My records show great interest in Sunday schools.

Evangelism.—The evangelistic spirit has prevailed. Those holding revivals in the autumn months or earlier were fortunate. Some excellent plans for revival work which promised good results were frustrated by severity of the weather and by order of the fuel administrator. In many congregations special preparations were made for the observance of Passion Week, the doing of which gave the people a spiritual uplift and added a goodly number to the church.

Nineteen charges report 353 conversions; F. P. Johnson reporting the largest number, 116; C. M. Vawter, 34; J. P. Channess, 30; J. J. Fischer, 36; C. B. Thomas, 30; J. W. Zerbe, 25. Even if few or no conversions are reported, the protracted meeting is always worth the effort in disarming criticism, distributing responsibility, and in spiritual quickening of believers.

Benevolences.—Last year the Wabash District made a per capita gain of 27 cents per member for the Disciplinary benevolences, which placed us at the head of the list as compared with the whole church, the Chicago area, the North Indiana Conference, and with the other districts of the Conference. For the same purpose we took third place in per capita giving, the same being \$1.40 per member. Last year our gain, not counting W. H. M. S. supplies, was \$2,504 for Disciplinary benevolences. This year, notwithstanding the numerous calls for war and relief service, to which our people have made generous response, we report another gain of \$2,603. For all benevolent purposes, our gain will go far beyond this. For purposes educational and inspirational our district was divided into eight groups, with the following serving as chairmen: C. M. Vawter, Arlington Singer, J. L. Gillard, F. P. Morris, C. E. White, M. O. Lester, C. B. Thomas, A. C. Wischmeier. One week only was given for making an intensive campaign of the district, and that was the week immediately following the Conference cunpaign for Militant Methodism by the district superintendents. Our preachers carried the spirit of this campaign into every congregation, and the laymen cooperated in generous endeavor, with results most satisfactory. Our district missionary secretary, J. T. Bean, has rendered valuable service on many occasions.

The Disciplinary Financial Plan.—Our best results obtain wherever this plan is honored and perfected. We still have some who are joined to their idols of antiquated and long since discredited financial methods, with consequent embarrassing deficits during the year, and particularly at its close. Valuable time which should be spent in every-member canvass for next year's business is consumed in providing for large deficits for current year. Notwithstanding all this, last year every dollar of promised ministerial support was paid.

**Miscellaneous.**—The reports of M. L. Hardingham and F. H. Cremean are not at hand, but we can certify that they have done much faithful work on their respective charges, South Whitley and Upland, this year.

J. H. McNary, after two years of faithful and arduous labor on the Burket charge, this year making by far the best report the charge has ever presented, asks to be referred to the Committee on Conference Relations, with a view to retirement.

David Wells was sent to Grace Church, Marion, eight years ago. He found a few members, in debt, scattered, and discouraged, promising a support of \$600. In eight years he has paid parsonage debt, greatly enlarged and improved the church, has increased the membership to four hundred, for years has paid all apportionments in full, all other obligations being promptly met, and closes this year with unity and harmony, his congregation presenting the example of a well-balanced church and fixing the support for next year at \$1,200.

E. L. Jones and his estimable wife are rendering service of the highest order at the Methodist Memorial Home, in Warren.

J. W. Tillman, J. T. Fettro, T. F. Frech, and G. B. Work, retired ministers living within the bounds of the district, are held in high esteem. J. W. Cain, retired, resides in Deland, Fla.

A Word Personal.—My regard for each pastor and layman is magnified when I think of the fine spirit exhibited in bearing with my shortcomings and weaknesses. The splendid hospitality of the parsonage and other homes, the courtesy extended me while presiding in district and other conferences, the numerous evidences of thoughtful regard for my comfort and increased usefulness will always abide a memory most precious.

**Preachers' Families Represented in the War.**—Each of the following has a son in training: Mell Timmons, J. J. Fred, J. P. Chamness, and W. E. Murray. Brother Murray also has another son, who has received his baptism of North Indiana Conference

## (b) STANDING COMMITTEES AND BOARDS.

### AGGRESSIVE EVANGELISM.

We do high sense of the importance and the extreme and pressing need of accounted by a counterprise of evaluation, the spirit of devout prayer and earnest solicitation, the total ittee offers the following report:

### ()UR HERITAGE.

"In the year 1729, two young men in England, reading the Bible, saw that they could not be saved without holiness, and followed after it and incited others so to do. This was the beginning of Methodism. The Methodist Episcopal Church has always believed that the only infallible proof of the legitimacy of any branch of the Christian Church is its ability to seek and to save the lost, and to disseminate the Pentecostal spirit and life."

We vow our allegiance to the "Faith of our Fathers," and we will be true to this faith till death.

### THE OUTLOOK.

The world is beginning to think of the mission of the church in terms commensurate with its dignity. The challenge has come. This is no time for waste of energy or money. Conservation is the word of the hour. We must determine our relation to the world program. The time has come when all questions and theories that elog the wheels of progress or hinder the practical work of the church should be set aside. The new age that is breaking upon us is interpreting everything in its relation to the vital need of the hour. The new church for the new age will be the church that fits itself to the immediate needs of the souls of men. Such was the example of Christ. He came to seek and to save the lost.

The question that confronts the modern church is primarily a question of adaption and adherence to the Christ standard. His work is our task. He focused his life upon the lost soul. Where should the church center her every energy? His passion was overwhelming. Should ours be less? We believe the ministry should re-study the parable of the ninety and nine. A vision of a lost soul ought to set every preacher on fire with a holy passion to lead that soul to the Christ. "Where there is no vision, the people perish." Our blessed Lord said, "Follow me, and I will make you fishers of men." Our chief business is to catch men. Is the pastor an evangelist? If not, he should be made one. A great many young ministers approach the revival season with fear and trembling, as well as many older ones. Assistance is offered in almost every other phase of his arduous duties, but in this vital business of soul-saving he is left in many cases help less and alone. Our church and our ministry may be of invaluable service to the community and to society and our ministry may be of invaluable service to the community and to society in the most wholesome manner, but in the light of our Master's life and death we are forced to cry "failure" if we have not been fishers of men. Our bishop said he had no faith in an unconverted church. Brethren, we still believe in the power of God to save a soul from sin. The church is distinctively a soul-saving institution. We have worthy competition in every other line of activity and social service, but in the soul-saving business we stand unparalleled and alone. The church will become an evangelistic church when we have an evangelistic ministry. We may benefit a man when we help him to invest his money and cause him to unite with the church, but we have performed the most valuable and efficient service to him when we have led him to a saving knowledge of our Lord and Saviour Jesus Christ. The re-lemption of all society and government rests in the regenerated man.

We believe in one hun lie liper cent efficiency. An efficient ministry will mean an efficient church. We feel the need of a Pentecost, a baptism of the Holy Ghost,

and urge our brethren to tarry in the upper room until endued with power from on high. The question is asked, "Has the church failed?" We answer with thunderous tone, "No!" The church has so built herself into the woof and fabric of democracy that everywhere men and leaders are opening up their hearts for a larger service. No great movement for the welfare of society is ever launched without taking the church into its confidence and asking for its aid and help. There never confronted the church a more opportune moment. There never was a greater hour in which to preach the old-fashioned gospel of Jesus Christ. There never was a better time in which to invite men to the Saviour. There never was an age when the great bleeding world felt its need of the Christ and Calvary as at this strategic hour. Brethren, the most princely task ever offered an individual is that of lifting up the Christ, that a sinful world might be drawn unto him. Let us go to our charges rededicated to the task of winning souls for the Master. The good Lord grant that when the reports are read a year hence that the dominant note might be converts unto the Lord. To this end we therefore recommend that in every district there be held a school of revivals, wherein the several pastors, under the leadership of our Superintendents, shall, through prayer and study and discussion, become endued with the Pentecostal power, and sent out with a tongue of fire to condemn sin and to uplift the Christ and catch men for the Kingdom.

### Methods.

We recommend none. We condemn none. We quote Paul: "I am become all things to all men, that I might by all means save some." We believe in the method that gets souls. No one method will win in all places and under all conditions. We believe that the local circumstances should determine the method. We urge the all-year personal and pastoral evangelism, also the special revival and the unified effort and team-work, and any other type of effort usable and adequate, that we might by all means save some. The north wind, the east, the west, the south wind, whatever wind our people need, Lord send that wind upon us.

We heartily commend the evangelistic note in our bishop's devotional talks and in Dr. Mantle's inspirational Pentecostal hour.

AtM.

First: The conversion of sinners.

Second: The reclaiming of backsliders.

Third: The baptism of all believers with the Holy Ghost.

Fourth: To bring up the children in the nurture and the admonition of the Lord, ever saying to them, "Ye must be born again."

Brethren, let us go to our task from this mount of high vision and noble purpose to get souls for our hire, and to demonstrate to our people the example of our Master when he said, "I am among you as he that serveth."

Signed:

J. ORR POWELL, M. B. GRAHAM, GEO. W. MARTIN, R. C. BALLARD.

### AMERICAN BIBLE SOCIETY.

We, your Committee on the American Bible Society, in our report, desire to express our gratitude for the fact that our work in the distribution of the Word of God has gone steadily forward, and as doors open for us we hope and expect that our beloved church and those who are joined with us in this great work of God may carry the Holy Scriptures to the entire world, and just now in particular to our soldier boys at the front.

We rejoice in the fact of the splendid advance of \$343 this year, and we believe we can and will do much better next year. We believe that no other period has ever come to us more favorably for calling the people from the thoughts of earth to the best things of the souls of men and the advancement of God's kingdom in the world than this one which has in these last years reached us.

When the present world-war shall end, we believe that then the hearts of men will yearn for the gospel and there will be a splendid opening for the introduction of God's Word to the peoples of the entire world. We assuredly believe that such a vision to inspire us we ought to put forth a much stronger effort to advance the Very Beac Society upon the hearts of our people. No other beach of God. We therefore pledge ourselves to do our best in

J. L. MURR, Secretary.

## BOARD OF CONTROL OF DEACONESS WORK.

Your B and of Control, in view of the growing appreciation of this department this tank work on the part of the general church, having been dignified and thenored by being placed with the seven other great departments, desire to call attention to the growing indifference on the part of this Conference to the work

Further, we would call the attention of all the pastors to the Discipline of 1916, paragraphs 233 to 230.

FRED F. THORNBURG, President. A. L. WEAVER, Secretary.

### CHURCH LITERATURE.

Your Committee on Church Literature recognizes the religious press as one of the most efficient agents in the spread of the truths of the kingdom of God and in molding the characters and fashioning the lives of all our people. We rejoice in the abun lance and high character of the various publications of our publishing houses, and commend both books and periodicals to our people as the very best for the uphol ling of the church of Christ throughout our domain, and that all Metho lists should be urged to use our own literature in the Sunday schools and all other church work.

We especially recommend the Western Christian Advocate to our people as one of the best me liums by which an intelligent Methodism may be built up throughout our Conference and church.

We also urge upon all our ministers the importance of securing our great Metho list Review, and it was probably never greater than now, and to a most careful realing of the same. We believe that a devoted loyalty to our own periodicals is the one thing essential to the building up of the church and establishing an intelligent righteousness throughout our Conference, this and all Episcopal areas and the entire Methodism of this country and the world.

### EDUCATION.

From the beginning our church has realized that in the highest sense education and religion are inseparable. If the life is to attain its full symmetry and power, the religious element must dominate the trained intellect. If the church and her program are to be maintained, and if full vision of the kingdom of God is to be carriel forward in modern society, the motives and principles of religion must be the masters of all culture. Educational institutions in which there may be no hindrance in creating a constant and positive Christian atmosphere in which the officers and teachers may be selected with a care to Christian worth and character, in which the Bible and the whole range of Christian subjects may be taught in the most throughgoing fashion, and in which the guidance and culture of the young people may be constantly related to the chief values in Christian life and service must be maintained by the church.

More than ever before in the world's history the time has now come for a still greater emphasis upon Christian education, the education of both heart and intellect. The Board of Education was established fifty years ago. The Jubilee program, including the Board's appeal for one million dollars permanent endowment, community of the static support.

The Sturlent Lour Fund, derived from free-will offerings on Children's Day, h is issisted 20,590 Metho list boys and girls to secure an education. Thirty-nine stulents attending schools of the church, whose homes are in this Conference, were granted lours from the Children's Day Fund aggregating \$2,243. The total contribution last year from this Conference to the Children's Day Fund amounted to \$2,725.86, as compared with \$1,940.27 of the year before. Loans amounting to \$3,074 were granted to seventy-two students in DePauw University.

The Aid of Institutions Fund, derived from the Public Educational Collection and Special Gifts, through which the Board helps struggling institutions in the highlands of the South, on the western frontier, and schools in peril in all sections, is of ever-increasing service.

The Department of Religious Work co-operates in the conduct of evangelistic campaigns, and has successfully begun the work of caring for Methodist students at State institutions, according to the plan approved by the General Conference of 1916.

Under the splendid leadership of President G. R. Grose, D.D., DePauw University has enjoyed another prosperous year. Two new buildings—Reetor Hall for women, and the Studebaker Memorial Administration Building—have been complete I within the year. The campaign for \$300,000 to complete the Million-Dollar Fund for endowment and new buil lings before March 1, 1919, is under way. Dr. Demetrius Tillotson, of the Northwest Indiana Conference, has been appointed by Bishop Nicholson as Field Assistant to the President, and Dr. C. U. Wade, Endowment Secretary in the campaign. The importance of Christian education was never more apparent than in the present world situation, and we urge our brethren in the ministry to assist in every possible way in the conduct of this campaign. DePauw has sustained her best traditions of devotion to the national interest in the great world-war, of which we are now a part. Five members of the faculty and over two hundred undergraduates are in the National service. There are four hundred and thirty-six stars on her service flag. A department of military instruction and training under federal officers will be conducted next fall. Courses will be offered to train students for expert service along all lines required by the Government. The President has rendered the State Council of Defense distinguished service by his speeches and sermons. The Mendenhall lectures were delivered this year by President H. P. Faunce, of Brown University, on "Religion and War." They constitute a notable contribution to the literature of the present crisis. These lectures will soon be published by the Book Concern.

Despite the loss of fifteen per cent in attendance, due to the large number of students in the National service, and the consequent shrinkage of \$15,000 in student fees, the low rates for board and rooms have been maintained. The present year will be brought to a close with no deficit in the current expense account.

We urge the pastors in our Conference to new efforts to encourage the young people in their congregations to attend college. The present need of men in the interests of war will be equaled after the war by the need of the world for trained leaders in the great enterprises of reconstruction. Now is the time to train our young people for leadership in the new age. To send a young person to a Christian college like DePauw is a distinct form of patriotic service. We recommend the reelection of Hon. M. B. Stultz and Dr. W. D. Parr as trustees, and the appointment of Rev. F. A. Hall as Conference visitor.

The Methodist Church is justly proud of its theological schools, and the opportunity offered by them for thorough preparation for the ministry.

Boston University School of Theology, in spite of the depletion of its ranks by the war, is still filled with men who are seeking the advantages offered by this progressive institution of higher education. The school is situated in the heart of Boston, in the midst of a cosmopolitan population that offers large opportunity for practical Christian service. President Murlin and Dean Birney are determined that the best possible shall touch with the eastern atmosphere, while combining with it the training of the mind, can do no better than at our Boston school.

Drew Theological Seminary, located at Madison, New Jersey, in close proximity to New York, offers the finest opportunity for training in Christian leadership. It has a large and scholarly faculty, extensive libraries, and is faithful to its long reputation for thorough scholarship and loyalty to the standards of the church. In addition to the instruction in the school, the students have opportunity to hear the great preachers of New York and learn first-hand, practical church methods.

We recommend as visitors the following: For Boston, Rev. J. F. Edwards; Drew, Rev. Frank Morris; Garrett, Rev. Charles Smith; Jacksonville, Rev. W. A. Griest.

The year at Garrett Biblical Institute has been signalized by the large numbers of its students who have offerel themselves for service in the war. Two service flags were recently dedicated. ### FOREIGN MISSIONS.

Me hodism as a world church enters upon its supremest opportunity in this worll age. Democratic in our ideals, militant in our methods, this is certainly our day of privilege. Our leaders, with prophetic insight, have been quick to perceive all this, and have uttered a magnificant challenge to the church commensurate with

We therefore hall the Centenary Movement as a timely recognition not only of the celebration of the one hundred the anniversary of American Methodist Missions, but also the auspicious hour for our entrance into a more vigorous campaign in worl lwile conquest for Christ and the church.

As preliminary to this great drive, we recommend that all the charges within the bounts of our Conference in augurate at the earliest possible moment a fourweeks Christian Stewardship Campaign, looking toward the immediate enlistment of our share of the one million plo lge l tithers in Metho lism.

Our solen lid reports mude at this session of the Conference are not only sugcestive of the vast possibilities of our juris liction, but also prophetic of our unqualified cooperation in all the great tasks of our church in the days that are to come.

Our schools supply these with pastors and merteen Chaston to lers. For this purpose, the 21 schools of the Freedmen's A source of the fill teachers and 5,864 students, must be maintained.

### A WAR CALL.

On account of the increase I cost of fool supplies, fuel, and everything that goes into the expenses of the schools, the Free Imen's Aid Society needs at least a fifty per cent increase over last year in its collections.

Its students and graduates are drilling in the cantonments, and soon will be "doing their bit somewhere in France." Back of the cantonments are the schools, where others are being prepare 1 to take the vacant places of those who fall "in the trenches." Help the schools, and help them now, when their need is greatest. They are making America safe for democracy by providing a Christian leadership for ten million American citizens an 1 patriots of the Negro race. The presidents and teachers in these schools are doing a noble and heroic service. Give them a lift. Encourage them. Their work is vital to the future welfare of the nation.

We recommen I, therefore, that each pastor observe Lincoln Day, and that, in addition to raising the full apportionment for the work of the Society, an effort be made to secure a fifty per cent increase to cover the additional expense on account of war prices.

We further recommen 1 that the program an 1 literature prepared by the Society be distributed in our Sunday schools and public congregations. This literature can be secured without cost by sending to the office of the Society at 420 Plum Street. Cincinnati, Ohio, a postal card request.

Respectfully submitted.

### HOSPITAL.

We, the members of the North Indiana Conference, express our great joy and thanksgiving for the prosperity attending the Methodist Hospital Association of In liana. With the dedication of the new pavilion and surgeries, the hospital at In lianapolis has been made one of the largest and best equipped hospitals in the Middle West, while it is so popular that it is overflowing with patients all the time,

We regard as an evident leading of the Lord the gift of a hospital plant in the city of Princeton, Indiana, worth \$50,000, and heartily sanction the acceptance thereof, and its thorough renovation and improvement.

We commen l the wis lom of the Association in the conduct thus far of the program for the acquisition of the property of the Ways Sanitarium Company, in Fort Wayne. The munificent gifts of \$35,0.0 by Dr. A. H. Macbeth, his wife, Dr. Harriet Stemen Mache, h, the provision of \$10.0,010 by the people of the city of Fort Wayne and vicinity, and the payment of \$125,000 by the Hospital Association will give us a property in Fort Wayne, the second city of the State, easily worth \$300,000. Fifty thousan I dollars of the one hundred thousand dollars required from Fort Wayne has already been subscribe l. In view of the great need for added hospital facilities in the city, and also in view of the fact that this building has been selected by the Government as the official hospital to care for casualties of the war, we urge the early consummation of this great enterprise and the opening and operating of this splendid plant as soon as satisfactory arrangements can be made with reference to the \$100,000 from Fort Wayne.

We congratulate the hospital on the wisdom and efficiency of the administration of the secretary-supreintendent, Charles S. Woods, M.D. The splendid Nurses' Training School conducted by the hospital is the best

in our State, and we look forward with joy to the erection of the new building proposed and made possible by the splen lid gifts of Bro. Messick, of Shelbyville. Altogether, we commend the Metho list Hospital Association of Indiana as the

very best, first, for the restoration of health, and second, as an opportunity for the placing of gifts where they may continue to bless our suffering world.

We urge that our people visit the hospital properties, and that pastors should take selected persons from Epworth League chapters, Sunday schools, and the church for the inspection of our great plants. We recommend the re-election of Rev. L. J. Naftzger and the election of C. B.

Jenkins as trustees for a period of three years, their terms to expire in 1921.

We recommend the apportionment of ten cents per member to the charges for the Sustaining Fund.

L. We recommend that Rev. E. L. Jones and wife, for their efficient and economical administration of the affairs of the institution, and recommend that the Rev. E. I. Jones be re-appointed as superintendent and financial secretary for the coming year.

5. We recommend that the following be elected as trustees for a period of three years: M. S. Marble, A. H. Sapp, and O. A. Pulley. 6. We recomment the appointment of W. T. Arnold, J. C. White, and F. A.

### PARSONAGE AND FURNITURE.

Your Committee on Parsonage and Furniture is gratified to report an increase in the number and improvement of parsonages. There are now some 225 parsonages, with a valuation above \$575,099, leaving but a very few of our charges without a parsonage home for the preacher.

We wish to record our appreciation to the local societies of the churches for their keen interest in behalf of the ministry.

Further, by reason of the present difficulties in securing railway shipping of household goods and the losses attending to shipping thereof, and the need of a uniformity of such furnishings, to be supplied to each parsonage within the Conference.

We recommend that the District Superintendent, at the first Quarterly Conference, call the attention of our people to these conditions, and urge them to purchase such articles of furniture for the parsonage homes.

### SOCIAL AND MORAL QUESTIONS.

The Committee on Social and Moral Questions submit the following report: We believe that faith in God is the foundation of the highest and best standard of social and moral life. We also believe that the highest ethical standard is attained by those who seek to have "Christ formed within the hope of glory." Thereforc we urge that our church people seek for themselves and try to help others the highest New Testament standard of experience and life. To this end we urge that our people make proper use of the Sabbath day by buil ling into their lives on that day, through the church services and otherwise, those elements that tend toward the ennobling of the soul. We deplore the use of the Sabbath in such a way that God is either forgotten or crowded out of the life. We urge the keeping alive in the soul a sense of Go1 and of our obligations to him.

We further believe that the enthronement of Christ as Lord of the life will solve the problem of questionable amusement. Therefore let us hold before our young people the glory of the surrendered life, realizing that such a life will not go astray at any point.

In addition to all this, we appreciate the civic forces in the enactment and enforcement of proper laws. We deplore the laws that permit Sunday baseball and Sunday theaters and picture shows, and wish to commend all efforts seeking the repeal of such laws an I the enactment of others that tend to help the people to remember the Sabbath day to keep it holy.

We recognize our homes as the bulwarks of our nation, and deplore the fact that disease, poverty, and crime in many cases hamper or destroy their efficiency. As a measure looking toward the bettering of our homes, we would favor a law requiring a medical certificate of all candidates for marriage.

We greatly deplore that so many of our homes are destroyed by divorce, and urge our people and pastors to use all forces within their power to alleviate this evil.

We are also convinced that there is a close relation between poverty and crime, and if our wage-earners were better paid in many cases, there would be fewer delinquents in morals. We regret very much that many of our young women are compelled to work for from \$3.50 to \$10 per week, which in most cases is an inadequate wage. We trust our pastors will call attention to this fact and, where practical, urge the employers to greater liberality.

We believe that in the present crisis of wartime there is no force more potent than the moral force. We also believe there is no organization equal to the church for making moral fiber and morale in our people at home and in the boys abroad. Therefore we most heartily commend the patriotism manifest in the church by its patriotic meetings and its loyal support of the Red Cross and Young Men's Christian Association. We would encourage our churches in their work of helping win the war and making this old world safe for democracy and a democracy that is safe for the world.

### STATE OF THE COUNTRY.

Resolved, That the North Indiana Conference of the Methodist Episcopal Church declare its conviction that the United States entered into the war one year ago under the resistless compulsion of patriotic duty and in defense of the rights of humanity. For the American nation the issue is simple and sublime. An abborrently selfish and frightfully cruel autocracy arrayed itself against the forces of democracy, imperiling the liberties of the world. The Prussian Empire proclaimed the right of might, recognizing no international law, no moral law, and no law of humanity, justifying bestial rape, cruel deportations, wanton waste of the treasures of civilization, and crimes which put to shame the ravages of the hordes of Atilla. The American nation has drawn the sword for the defense of her own liberties and to safeguard the freedom of all civilized nations against the domination of a detestable military autocracy that recognizes no law except the law of military necessity.

Resolved, That we declare a profound conviction that no peace is worthy of being considered except a righteous and lasting peace, to be secured only by the complete and final defeat of German arms.

Further, we record our strong conviction that all the resources and energies of the nation, physical, intellectual, and moral, should be laid upon the altar for the service of country and of God.

We therefore urge upon all national and State officials and upon all citizens to push with the utmost vigor the task of winning the war.

We deplore and condemn the base treason of "war profiteers," who have bartered in the sufferings of the helpless by exacting extortionate profits in business.

We deplore and condemn the criminal excesses of the "militant Bolsheviki" in our midst in the outbreaks of mob violence, inflicting physical indignities and even death upon enemy aliens suspected of disloyalty, but not convicted after due process of law. While we are at war with a lawless nation, our citizens dare not become lawless, even in the cause of liberty and humanity. But in order that the flag may be everywhere respected, we call upon all officers of the Federal Government to punish with prompt and drastic severity all utterances and acts of disloyalty which give comfort and aid to the enemy.

We record our deep gratification over the adoption by Congress of the measure providing for nation-wide prohibition of the manufacture and sale of intoxicating liquors. We are confident in the belief that the early ratification of this national amendment by twelve States is in carnest of the speedy and complete destruction of the brewery and saloon throughout the nation.

We rejoice in the aggressive measures enacted and enforced by the authorities of both the Army and Navy for the protection of our soldiers against the ravages of drink and vice. We deplore the fact that the President has not yet exercised the authority vested in him by Congrees to prohibit as a war emergency measure during the period of the war, the use of any grain for the manufacture of any form of alcoholic drinks.

We use them all our citizens carnest an i diligent endeavor in conserving the and the two effectual resources of the nation by maintaining at maximum efficiency and wind evide schools and colleges, the churches, and other philanthropies, which remains to a strong and righteous citizenry.

### SUNDAY SCHOOLS.

In this day of stress an 1 strain we would not forget to recognize that the greatest isset to the Christian church of to-morrow is found in the young life of to-day. This young life must be conserved to its greatest possible advantage. The church has the only blessing to bequeath to the youth which will prepare him for this life. This thought is substantiated by the utterance of our Lord when he said, "Seek ve first the king lom of God an I his righteousness."

President Wilson said that one-third of the population of the United States is represented by the children. The obligation for all the religious and moral instruction of this army of youth rests upon the church.

It is ours to recognize the vastness of the task, and in the strength of God to assume the responsibility. It is to this end that we heartily endorse the well-organize 1 and well-planned activities of our great Methodist Church to take care of

We also, as pastors of the North Indiana Conference, ple.lge our united endeavor to promote all the Sabbath-school interests, looking to the highest religious attain-

### SUSTENTATION.

Connectionalism is the very essence of Methodism. Therefore, in harmony with the recommendation of the District Superintendents, we advise that \$5,000 be apportioned to the several districts for this home mission work.

We also recommend the additional sum of \$1,200 for the student pastor at Purclue University, a total of \$5,200 for Sustentation work.

### TEMPERANCE.

With jor, we view the wave of temperance sweeping around the globe. Russia has collished volke; France, absinthe; Englan I is curtailing the drink evil; eleven States have ratified the amonalment to the Constitution of the United States prohorth, the manufacture and sile of intoxicating liquors.

Miter a long hard light of ten years, Indiana has gone dry by Federal enact-ment. The traffic has been abolished in Porto Rico, Alaska, and the District of Columbra, and the shipment of liquor to dry States has been prohibited.

We commend our Government for the protection of our boys in the canton-

ments, and urge that the same policy be enforced abroad. While we are conserving grain to feed the allies and the sol liers in the field, we demand that the manufacture into beer of this scarce and precious grain be abolished in this country. And with all kindness, vet with firmness, we say to France and England, You must not destroy, in your beer-vats and distilleries, the food which we, at great sacrifice, ship to you.

We congratulate our Board of Temperance, Prohibition, and Public Morals upon the achievements of the past year. We note with appreciation the program for the erection of a Methodist building in Washington, D. C., near the Senate Building, where the church's interest in eivic righteousness may find adequate expression, and through which the denominations' interests may be interpreted to our churches.

We commend the work of the Church Temperance Society, the Anti-Saloon League, the Flying Squadron, the Prohibition Party, the Woman's Christian Temperance Union, the Dry Federation, and all other temperance organizations for their united efforts to make our State dry, and we desire the same united efforts of all such organizations to secure the ratification of the prohibition amendment to the Federal Constitution.

We rejoice in the good work done by the members of our own Conference-Madison Swadener and Chas. J. Everson.

We nominate as Trustees of the Anti-Saloon League, W. W. Martin and O. A. Trabue.

We recommend as officers of our Church Temperance Society, J. A. Patterson, for President; F. P. Morris, Vice-President, and Herbert Boase, Secretary,

### WOMAN'S FOREIGN MISSIONARY SOCIETY.

### ORGANIZATION.

GREETING:

North Indiana Conference is incorporated in the Northwestern Branch, legally responsible to receive bequests, real estate, money on the annuity plan, and able to give at all times a correct bill of exchange. We have seven Conference officers and seven officers in each of the six districts. One hundred and thirty-nine Auxiliaries, with a membership of 5,066; fifty-one Young Women and Standard Bearer Societies, with a membership of 1,104; one hundred and five King's Heralds and Little Light Bearer Societies, with a membership of 2,200; a net gain of thirteen organizations and 529 members. Forty-five life members have been made during the year. Nineteen hundred copies of the Woman's Friend and 1,000 copies of the Junior Friend have been in circulation.

MEETINGS.

Conference anniversary addressed by Rev. Fred B. Fisher. At this meeting Mrs. Fisher was made a life member. The Northwestern Branch meeting was held in First Church, Anderson, October 2-4, with 900 delegates in attendance. Five District Conventions, with unusually large attendance; young people and children furnishing interesting features on the program. Over one hundred special and Thankoffering meetings were held, besides 2,900 regular monthly meetings. Miss Cora Simpson has given twenty-seven addresses and Miss Edith Bell, from Africa, twelve. Miss Ethel Jackson, from Singapore, and Miss Mary Mann, from Foochow, are at home on furlough, giving encouraging reports of great success on the foreign field. Our work was presented at six ministerial district conferences, by courtesy of the District Superintendents.

### JUBILEE.

Goal members in every church in the Conference. April 17th one of the seventy Jubilec meetings was held in Wayne Street Church, Fort Wayne, with a large attendance, and a delightful banquet well carried out. And, best of all, three young women offered themselves for work on the foreign field. Eighteen names of children have been placed on the Jubilee Legion, and, by the payment of \$194, the loyal women placed the name of the Conference Secretary in the Book of Remembrance in Tremont Street Church, Boston. M. O. G. H. members will be reported at the close of the Jubilee. We have also given our quota to the foreign jubilee goal in the going out of Miss Joyce Walker to Tientsin, who was born in China, and whose parents went to China forty years ago. Miss Hazel Schaub, from First Church, Fort Wayne, has gone to do hospital work in Nanchang, China. Miss Schaub is exceedingly well equipted, and was called to the work of a missionary when a small child.

The late Mrs. Frances Kelley, of Richmond, a rare Christian, left a bequest of \$500, which was paid into the fund for the new building at Lucknow, India, one of of the Jubilee objects. We are deeply grateful for the co-operation of pastors and

people, and our purpose is not only to do our best to spread the gospel over the known world, but to do our best in our own local churches, firm in our belief that the truth shall be made manifest. "Not by might, nor by an army, but by my spirit, saith the Lord of Hosts."

Respectfully submitted,

FLORENCE CLARK BINFORD, Conference Secretary.

### WOMAN'S WORK IN THE CHURCH.

In all ages of the world, among all races, and under all conditions woman has lifted up the standard toward which her contemporaries have advanced, for the standard of the woman is the standard of the world.

She has been the first to advance, whether that advance be with joy and songs of triumph or in sorrow, with pain and sacrifice.

The church to-day owes her very existence to woman's devotion to the cause of righteousness. American Methodism took her place in American civilization because of Barbara Heck's denunciation of evil and exhortation to militant Christianity.

Woman bore the first message of the risen Lord to his perplexed and doubting disciples. To-day she is busied about the work of her Lord—in missionary work, in Aid Societies, as leaders in League and Sabbath school. In fact, upon her efforts much of the advance in all lines of church work depends. Not only does she carry these responsibilities in the church life, but finds time to do efficient labors in the Red Cross and kindre-l enterprises in these times of stress. Ministering to our boys at home and abroad, in the field and hospital. Surely her children shall rise up and call her blessed.

Signed: E. J. MAUPIN, W. E. HOGAN, B. F. HORNADAY.

### (c) SPECIAL COMMITTEES.

### CABINET RESOLUTIONS.

The Cabinet of the North Indiana Conference hereby express their high appreciation of the outstanding services of Bishop Thomas Nicholson, and their gratitude to Almighty God for his forceful and constructive administration. His visits to our District Conferences, because of their inspirational and upbuilding character, merit and receive both our approval and thanks. In cabinet work we have found him equipped with the judicial spirit, a fine perception of the moral quality of men and their deeds, an attitude of brotherly regard, and a determination as far as possible to prepare the way for every preacher to attain the highest standard of usefulness in the church of God. All of this, together with his patriotic spirit, always in evidence, commands both our respect and full confidence. His close attention to the details of cabinet business insures the success of each District and the Conference in the realization of that vital relationship which our church must sustain to the tremendous movements of the present day, so clearly discerned by this statesmanlike leader of the militant forces of Methodism.

We are statched to Rev. L. J. Naftzger, D.D., and his proficient Committee on Enterlayment. They are wise entertainers, and with great care have provided for lead on computer.

We desite to thank the Committee on Programs for providing strong men to the force of the needs and interests of the church. The patriotic address as given by Rev. John Thomson, D.D., of Chicago, and the evangelistic messages given by Rev. J. Category Muntle, D.D., of England, are deserving of special mention. We endowe the messages of these men and pledge ourselves to support the same.

### EDUCATIONAL COMMISSION.

Report of the Joint Educational Commission.

While your Commission has in mind the fact that its function was advisory, we have felt that since it was created in the wisdom of experts on educational policies and endorsed by the three Annual Conferences of the State, we have been conscious of our of ligations in the matter, and have sought diligently to understand the whole situation as it relates to the educational care of the Methodist student body of the State, whether in our clurch schools or in the schools under State control. This is what we have done in the interest:

First, of the unification of our educational service, both as to the character and quality of service, as well as the spirit in which this service should be rendered, in order that increased efficiency would result all along the line.

Secon lly, to take cognizance of, and place emphasis upon, the necessity of carefully looking after the moral and religious training of the Methodist students in our State institutions. The necessity for this will appear when we realize that this is a day of strategic opportunity, and will become increasingly greater in the years to come. We have taken all this to be vital to the success and future usefulness of the clurch.

### TAYLOR UNIVERSITY.

The Commission nucle certain propositions to the Trustees of Taylor University two or three years i.go, looking to the transfer of the charter to the North Indiana Conference, in the hope of increasing the usefulness of this unique school, placing it where it could legitimately receive aid from the Conference, and in this way raise its educational and financial standards.

Since this was not found expedient by the Local Preachers' Association, we recognize the propriety and legality of the ruling of Bishop Thomas Nicholson, that the North Indiana Conference is not privileged to use the regular machinery of the church for the raising of funds for Taylor University, since Taylor University is not under the control of the Methodist Episcopal Church.

### MOORE'S HILL COLLEGE.

During the year the movement to re-locate Moores Hill College in Evansville has been carried steadily forward. The city of Evansville, during a whirlwind campaign closing May 3, 1917, raised \$513,000. Over \$100,000 was raised within the bounds of the Evansville District during the months of June and July.

At the regular session of the InJiana Conference at Princeton, the Conference officially voted to move the college to Evansville, and to undertake a campaign to raise the half million dollars as Methodism's share of the enterprise. This campaign has not been entirely completed, and is being vigorously pushed. In all, over \$\$30,000 has been ple ged. It is hoped the remainder will be fully provided for before the close of the Educational Jubilee, the first of July.

The Joint Commission rejoices in this magnificent enterprise, which not only saves to Methodism an honored institution, but also provides educational facilities for a section of the State in sore need of such an institution. Not only Methodism, but the interests of the Kingdom at large, will be greatly strengthened in Southern Indiana by this achievement.

We heartily endorse the plan as announced of establishing in connection with this institution courses to train men for the rural pastorate. We record it as our judgment that Methodism greatly needs an institution that will specifically prepare men for this work. We record with pleasure the co-operation of the Board-of Home Missions with the new institution at Evansville in working out this program, and bespeak for the school the widest possible support in this worthy work.

### DEPAUW UNIVERSITY.

This Commission, at its meeting one year ago, recommended that the permanent endowment of DePauw University shoul I at the earliest possible date equal \$3,000,-000. As a step in this direction, the Trustees have entered upon a campaign to raise \$1,000,000, \$400,000 of which should be invested in new buildings and the remainder, \$600,000, added to the permanent endowment. The \$400,000 intended for new buildings has already been secured and invested

The \$400,000 intended for new buildings has already been secured and invested as follows: \$125,000 in the new Bowman Memorial Building; \$200,000 in the Rector Hall for Women, and \$75,000 in the Clem Studebaker Memorial Administration Building. In addition to this, \$23,000 have been spent in renovating and improving Woman's Hall.

Of the remaining \$600,000, \$150,000 has been given by the General Educational Board of New York, conditioned on the full amount being raised by March 1, 1919. Three friends, whose names are withheld for the present, have promised \$50,000 an h Mr. Edward Rector, of Chicago, has promised to be one of five persons to give \$20,000 each; also one of ten to give \$10,000, and also one of twenty to give \$5,000 each. A completion of the full amount will mean a new day for DePauw.

DePauw University is the one institution in Indiana vitally related to the future leadership of the church. At the conclusion of the war Methodist leadership will be nee led more than at any other time in our history. We call upon our ministers and laymen everywhere to come to the help of this important institution in this hour of her great opportunity.

As a part of the above movement, a Memorial Chair of Mathematics is being established in memory of Dr. John P. D. John. Another fund is being raised to endow the James Whitcomb Riley Chair of English Literature.

### INDIANA UNIVERSITY.

As previously stated in this report, the Metho list students in the State schools are being looked after most thoroughly, and the results are most gratifying. Dr. C. H. Taylor, pastor of First Church, Bloomington, gives the matter his personal attention, and has as an assistant Mr. Frank Forry, who is proving himself in every line of service.

The Bulle classes (that is what they are in reality) serve to provide our Me and students with a social center of a most wholesome sort.

### PURDUE UNIVERSITY.

The work at Purdue University is incorporated under the name of "The Wesley Loundation at Purdue University." This property, under the corporate title, turnishes the student pastor a home, and forms a sort of community center for the 00 Methodist students in the University and about 100 students from other denominations, who have been affiliated, an l for whom the student pastor, Dr. Fribley, feels responsible. Of this number there are 23 foreign students, 13 of whom are Chinese Government students, an 1 to these he is able to give a definite Christian message. Dr. Fribley has 249 in his classes, receiving instruction in critical and devotional studies of the Scriptures, mission study classes, social service, and studies in world democracy.

Respectfully submitted,

A. B. STORMS, Chairman. M. B. Hyde, Secretary.

1. After the incorporation and organization, the Wesley Foundation set about at once to purchase a home for the Student Pastor and a headquarters for the Methodist work at the University. The property purchased is just opposite the University can pus, the corner of State and Sheetz Streets, and is within speaking distance of the httrary and Fowler Hall, two of the main buildings of the school. It is without question, one of the most desirable locations in West LaFayette. The lot is 75 by 159 feet, and is regarded by those who are competent to judge worth the price paid for the entire property, which was \$7,000. Since last September this location has been the rallying place for our Methodist work and the office of the Wesley Foundation. Five hun hed dollars were spent in improving this property. As the Student P is or Committee, we wish to report that all bills have been paid which have been member 1, 1917.

2. We recommend that we assume our one-half of the current expenses for the pre-ent year, as we did last year, which is \$1,200.

### PREACHERS' AID.

### General Secretary's Report.

Latent election by the Preachers' Aid Society, and appointment by Bishop N hale in to the General Secretaryship of the Preachers' Aid Society, the Secretaryelect addressed himself to a study of the history of the Society, the resources of the North Indiana Conference, the imperative need of an adequate permanent fund, the general awakening throughout Methodism and Protestantism, the tremendous inflation of the volume of money in the United States, the tardiness of the church in caring for the Veterans of the Cross, the saviours of our civilization, and the incalculable loss to the church and nation by the continuance of a policy of defalcation that will bar many of the strongest young men from the ministry. For these and other reasons, and in consultation with the District Superintendents, leading pastors and prominent laymen, it was determined to ask for the increase of the Permanent Fund to a grand total of one million dollars, \$150,000 for each District.

Veterans' Day, as set apart by the General Conference, fits admirably into the campaign of publicity and finance; therefore it is respectfully requested that this day be observed in all the churches in our Conference in such a way as to promote "The Million Dollar Campaign" in both its publicity and financial phases, using the day in loving remembrance of the Veterans of the Cross, and in the taking of an offering in all the churches of the Conference for the administrative fund of the Preachers' Aid Society, the offerings to continue to be taken during a quadrennium at least.

It is requested that the Preachers' Aid Society be given a memorial page in the Minutes of the Conference; also that a column in the Conference statistical chart of the Conference Minutes be given to the General Fund of the Preachers' Aid Society.

The amounts up to date subscribed by pastors and churches of the Goshen District is as follows:

The Goshen District is about half worked up to date. The Rev. R. J. Wade, D.D., District Superintendent, has rendered most effective personal assistance to the General Secretary, and was indispensable in directing the activities of the pastors and special helpers, thus freeing the General Secretary from much personal solicitation for the larger subscriptions. The Rev. C. U. Wade, D.D., was most helpful in assisting in making the canvass in a few charges. The Rev. J. Frank Anderson, Field Representative of the Board of Conference Claimants, has rendered continuous and efficient help. The Board of Conference Claimants has shown deep interest, an 1 has sold us many thousands of leaflets at a low price, which are being used in our campaign, the same being sent out from the office of the Preachers' Aid Society. The Rev. J. C. Woodruff, Field Representative of the Preachers' Aid Society, is RECEIPTS

becoming a very successful field man. All the pastors of the District have shown the greatest possible interest, and have gladly done everything in their power to make the campaign a success.

As this campaign has right of way for this quadrennium by General Conference action, and as Bishop Nicholson and General Secretary Hingeley ,of the Board of Conference Claimants, have expressed the wish that the campaign be completed Conference Claimants, have expressed the wish that the campaign be completed as far as possible next year, and as the same sentiment and desire was expressed in a meeting of all the Conference Secretaries, Dr. J. B. Hingeley concurring, called by Bishop Nicholson, which met in Chicago, January 31st, and as this program was endorsed by the Bishop's Area meeting following same, it is incumbent upon us as a Conference and Preachers' Aid Society, in conjunction with the Board of Con-ference Claimants, to carry out a program in a year, if possible, which we had ex-pected to do in three years. It is thought not to be impossible, provided the Board of Conference claimants and the Board of Control of the Preachers' Aid Society of Conference Claimants and the Board of Control of the Preachers' Aid Society are willing and do provide us with four expert field men each for the year's campaigu. We are gratified that Dr. R. J. Wade is appointed Field Manager of the Area Campaign. If we succeed in raising this fund, it will do four most needed things and most talked about in Methodism:

 It will pay the debt of love in gold to the Veterans of the Cross.
 It will make possible the consecration of the church to the work of the Kingdom, which the church demands of the ministry.

3. It will increase the support of the struggling man of God in the small charge.

4. It will greatly increase the amount paid by the large charge to the worldwide program of Jesus Christ.

Asking that you will approve the work already accomplished and concur in the recommendations herein contained. I am

Your obedient servant,

RUFUS A. MORRISON.

## (X) Memoirs.

## JOHN WESLEY PASCHALL.

John W. Paschall died at his home in Goshen, Indiana, on Thursday, June 7, 1917, after several years' illness. Brother Paschall was the second oldest minister in our Conference, having been born at Huntsville, Indiana, October 22, 1838, and was therefore eighty-eight years,

seven months, and fifteen days.

He entered the Conference in the year 1871, was received into full membership and ordained deacon in 1874 and elder in 1876. During his ministry he served the following charges: Bluffton, Arcola, Hamilton, Corunna, Wawaka, Bristol, Canbridge City, Galveston, Fort Wayne St. Paul, Fort Wayne Simpson, Greentown, Bunker Hill, and Goshen St. Marks. He was retired in 1903.

In the year 1860 he was united in marriage to Miss Elizabeth Wright, with whom he lived in happiness for fifty-seven years, and who now in loneliness waits the reunion in the sweet by and by. Three children were born to this union; two sons and one daughter, who was the wife of C. C. Cissel, are deceased. The one son living is A. W. Paschall. Three grandchildren and one great-grandchild are blessed with the memory of this sainted man of God.

Rev. Paschall was a man of intellect, Job courage, and devotion. He was a faithful pastor to the churches he served and a good preacher.

During the years of his retirement he made his home in Goshen, where he greatly endeared himself to the people and was faithful and loyal to his pastor, and very useful to the church.

Funeral services were held at his home, Saturday afternoon, June 9, 1917, in charge of the family pastor, Rev. H. C. Harman, D.D., and addresses were made by R. J. Wade. D.D., the Rev. J. W. Cain, and the pastor. A delegation of the members of the Conference attended the services and acted as pall-bearers. Interment was in Oak Ridge Cemetery, Goshen, Indiana. H. C. HARMAN.

### REV. J. W. WELCH.

John William Welch, the subject of this sketch, was born near Rumsey, Hampshire County, West Virginia, August 11, 1823. With his parents he came to Chillicothe, Ohio, in 1827, and after a residence in Ohio of seven years came to LaGrange County, Indiana, in 1834. Here he grew to a fine Christiau manhood, practically spending his entire life in the service of the church. At the Conference session in 1851, held at South Bend, he, with a class of twenty-five men, was received on trial in the North Indiana Conference. So splendid has been his ministerial career, that after forty years, the History of North Indiana Conference refers to him as "considered one of the greatest ministers of the State."

Rev. Welch was a hard worker, a persistent student, of indomitable courage, and exhibited a splendid consecration to the task of the ministry. So industriously did he give himself to the ministry that three times he broke in health and had to take a supernumerary relation, during part of such time he served two

It is worthy of note that reached the age of sixty he took up the study of Greek. It need is that Rev. Welch was one of the strong preachers of the Conference. His sermons bore the marks of a fine

ence. His sermons bore the marks of a fine thinker, a close reasoner, and, above all, of deep devotion. He laid broad and sure foundations and brought home the truths in a most convincing manner. It could be truly said of this splendid preacher that he, too, "went about doing good;" that in out of the way places and apparently unseasonable hours he gleaned for the Master and from these services many will rise up to call him blessed. He was truly instant in season and out of season, making full proof of his ministry.

Rev. Welch had thirty-two years of service in the active ranks, during which time he served the church in the following charges: Hamilton, Allen Circuit, Auburn, Pierceton, Warsaw District, Anderson, Agent for De-Pauw University, Greenfield, Winchester, Agent for Fort Wayne College, Portland, Fort Wayne Simpson, Hudson-Ashley, Arcadia. He retired in 1901.

After the death of his wife, which occurred several years ago, Rev. Welch made his home with his daughter. Mrs. C. E. Hoag-

his home with his daughter, Mrs. C. E. Hoagland, of Ligonier, Indiana. At the time of his death, he was the oldest resident of Ligonier and the Nestor of the North Indiana Conference. After an earthly pilgrimage of nearly ninety-four years, he entered rest on July 7, 1917. The end was beautiful. Faith was triumphant. The day before he went home, he requested the daughter to sing. "Sing what," she asked. "Sing," he said,—

> "Just as I am, without one plea, But that thy blood was shed for me, And that thou bidd'st me come to thee, O, Lamb of God, I come!"

Then the morning of the 7th, as the loved ones stood watching the crossing, again came the words, faint, but clear, "Sing, Just—Just—as—I—am," and on that upward reach of the sainted soul, the gates of the Eternal City swung open and a hero of the Cross went to his eternal reward.

The funeral service was held in the Methodist Episcopal Church in Ligonier, Monday afternoon, July 9th, Rev. T. M. Hill conducting the service, assisted by District Superintendent R. J. Wade, D.D., who delivered a short eulogy; Rev. R. A. Morrison read the Scripture; and Rev. C. L. DeBow offered prayer. Rev. C. U. Wade, D.D., traveled from Petoskey, Michigan, to speak the words of culogy over the casket of his spiritual father. Dr. Wade gave such a vivid picture of the man and his work in giving the experience of his own conversion and entrance, from the lawyer's office, into the Christian ministry, giving Rev. John W. Welch credit for being the human agency the Master of us all had used.

A quartette composed of Mrs. Cleo Holloway, Mrs. Roy Skinner, Mr. J. L. Henry, and Mr. Jesse Dewey, sang effectively "Just as I am," and Mr. Earl Cartwright, of Portland, rendered in a most touching manner "The End of a Perfect Day."

A delegation of ministers of the Conference attended the service. Pallbearers were selected from them who bore the body to the beautiful Oak Park Cemetery, hard by, to its final resting place. T. M. HILL.

#### MRS. LAVINAH SMITH.

Mrs. Lavinah Hiles Smith was born August 24, 1830, at Sinnack Falls, New York. In 1852 she was married to the Rev. R. J. Smith, who was for a number of years a member of the North Indiana Conference. To this union were born three sons and one daughter, the daughter having preceded the mother to the life beyond.

For forty-one years Grandma Smith labored with her husband in the Master's vineyard. In 1893 he was called to his reward, and for twenty years she has lived a widow.

She was brought up in a Christian home and in the church and throughout her life she shed the influence of her noble Christian character.

The triumph of her life came July 6, 1917, when she was transported to the world beyond. The funeral services were conducted by her pastor, Rev. Alvin F. White, in the Methodist Church at Chili, Indiana. She was buried by the side of her husband in the Perrysburg Cemetery, a few miles west of Chili. Her age was eighty-six years, ten months, and eleven days.

Three sons survive her: Albert A. Smith, of Crandon, Wisconsin; Erwin E. Smith, of Akron, Indiana; and Newton Smith, of Chili, Indiana. She also leaves seventeen grandchildren, eighteen great-grandchildren, and one great-great-grandchild to mourn her departure. A. F. WHILE.

### MRS. SARAH PECK.

Sarah Peck, daughter of George and Elizabeth Foland, was born September 23, 1830, near Perkinsville, Indiana. Passed to her heavenly home on the evening of June 13, 1917, having reached the age of seventy-seven years and nine months. On September 18, 1856, she was united in marriage to William Peck. To this union five children were born, four daughters and one son. Three of the daughters passed away in childhood—Ethline Florentine, Jennie Eudorah, and Halcy Josephine. The husband, Rev. William Peck; one daughter, Mrs. Margaret Emaline Farlow; and the son, Dr. John L. W. Peck, are left to mourn their great loss. The son and daughter will be of great comfort to their father in the evening time of life.

For more than sixty years she journeyed with her husband, always sharing the responsibilities and cares of life. For more than twenty-seven years she lived with her husband in the Methodist parsonage, making the home a real life-saving station. She knew how to sympathize with those who were in trouble or sorrow, and was generous to a fault. She experienced, with her husband, the responsibili-

## MRS. EMMA A. ROAHRIG.

Emma A. Strohacker, daughter of Mr. and Mrs. Valentine Strohacker, was born in Muskingum County, Ohio, August 26, 1882; departed this life August 13, 1917, aged thirty-four years, eleven months, and seventeen days.

On the 3rd day of May, 1903, she was united in marriage to Weber Roah-rig. To this union were born two daughters -Erdine, aged eight, and Mary, aged six vears.

At fifteen years of age she was confirmed in the Evangelical Lutheran Church near the home of her parents, and remained a member of the same until early in the year 1914; dur-ing the pastorate of W. E. Hogan, at Inwood, she was happily converted at the altar of the Methodist Episcopal Church and transferred her membership to that denomination. No one one ever doubted the genuineness of her conversion, of which her daily life was a living testimony.

The next day after having entered into covenant relationship with God, while seated at the dinner table, she told her husband that the Holy Spirit was calling her into definite service, which was a confirmation of the call which had formerly come to him to enter the Christian ministry, and they decided to be "obedient to the heavenly vision." During the one year and five months that she served as a

pastor's wife, she never missed an opportunity to speak to people of the higher life, and her labors were rewarded by sixteen souls definitely converted, beside the impressions made on other minds, which eternity alone can measure.

During the fall of 1915, after hearing the needs of the foreign field presented, she, after consultation with her husband, dedicated her two daughters to God for that work if he should see fit to call them. From that time on it was her earnest desire and belief that God would honor her by calling these daughters to that great work, and she made every effort to direct their lives in that direction.

At home she was a true and devoted wife and mother, her home being sec-ond only to the call of God. His will was given first place in her life and she never grew weary in service. Many times when her husband was loathe to leave her bedside, she urged him to go on the mission to which God had called him, assuring him of her prayers in his absence.

To know her was to love her, and her friends can only be numbered by the many who came to her bedside during her long illness. In addition to the many friends, she leaves a husband, two daughters, an aged father and mother, a

father and mother-in-law, six brothers, five sisters, besides numerous other more distant relatives to mourn her loss.

No time for a last farewell, no time for the shock of fear

Scarcely a moment's halt on the shore, with the guide and boatman near.

Dear! How surprised you were to go, with little to suffer, little to know.

Only a moment of dark, a dream of the fleeting night.

And then the beautiful break of day, and the quiet peace of night,

And you found yourself where you longed to stand, in the repose of the fatherland.

Funeral services were conducted at the Winchester Methodist Episcopal Church, August 16, by Rev. W. E. Hogan, assisted by Dr. Light and many of the ministers of the district, after which the remains were taken to Coshocton, Ohio, for burial. H. S. NICKERSON.

## MRS. JENNIE B. LAMPORT.

Jennie B., wife of Rev. A. Lamar Lamport, was born in Cass County, Michigan, August 3, 1850, the only daughter of Daniel and Nancy L. Bassett. Her early life was spent in Northern Indiana and Iowa, where she was educated in the public and professional schools.

At the early age of sixteen years she began teaching and continued in this profession until she had taught about twenty-eight terms. Her last school work was in the first primary department of the schools at Bristol and Waterloo, where her husband was the superintendent of the schools.

When her husband, A. L. Lamport, to whom she had been married in 1876, finally answered his call to the ministry of the Methodist Episcopal Church at the Conference in Warsaw, 1886, she entered willingly with all her soul into the work. She was active in all church work, though not strong in body, during her husband's pastorates at Orland, Bristol, and Garrett. At this latter place she did practically all the pastoral work during Mr. Lamport's sickness, lasting nine months, and during the years of his retirement on account of continued ill health she assumed large responsibilities in the retail mercantile business, to which they gave their attention as a means of support.

When Brother Lamport's health was restored sufficiently to again enter the regular work of the pastorate great was her joy and delight. Their first appointment was Avilla. They were soon abundant in labor, but failing health soon compelled her to give up active duties of life. The final break came in 1916, at New Paris, since which time she has required the constant care of a nurse. For fifteen months confined to a bed of pain and suffering. The end came Tuesday evening, August 22. She was the last of her father's family and leaves but one relative, a nephew, Clyde Bassett, of Elkhart.

of a nurse. For fifteen months connied to a bed of pain and suffering. The end came Tuesday evening, August 22. She was the last of her father's family and leaves but one relative, a nephew, Clyde Bassett, of Elkhart. Funeral services were held in St. Mark's Church, Goshen, Indiana, Friday, August 24, in charge of Dr. R. J. Wade, and addresses were made by Dr. Wade, Rev. S. Powell, H. C. Harman, and J. C. Woodruff. Others ministers assisting in the services were W. S. Stewart, K. Carlson, A. A. Turner, and A. P. Teter. Her body sleeps in the cemetery at Osceola, Indiana. S. Powell.

## REV. ISAAC WAYNE SINGER.

The Rev. Isaac Wayne Singer passed to his heavenly home, Friday, August 31, 1917; just as the shadows were falling upon the earth, he walked into the light of eternal day. For more than five months he had been an intense but patient sufferer, but while wasting disease made inroad upon his body, his mind was as bright as a sunbeam, even to the last.

Graciously endowed by nature, he had added to these gifts a scholastic training which brought him successively the degrees of A.M., Ph.D., and D.D. In the spring of 1883 he united with the North Indiana Conference and remained

between him and his Lord-to know his will was to do it-lovingly, gladly, quickly.

All through his ministry, he manifested a passion for souls; he loved folks and drew them by the power of his personality into a living fellowship with Christ. It is recorded that more than two thousand souls were added to the churches he served. He had a revival on practically every charge and many scenes of pentecostal power enriched his public work. But he was eminent in pastoral work, too. His kind heart and tender sympathies fitted him for the work of comforting the afflicted and sorrowing. At least three churches stand to testify to his leadership along material lines also.

On July 24, 1870, Brother Singer was married to Miss Margaret Lee, of Bluffton, Indiana. One child was born to this union-Emma J. Richards, of Huntington, Indiana. Mrs. Singer departed this life in the spring of 1873. January 5, 1876, he was joined in marriage to Miss Mary Ann Irwin, and to

them one son was born-Rev. William L. Singer, of Spokane, Washington. In March, 1905, our brother was again called upon to walk through the shadows and bid his companion farewell.

His third marriage occurred at Richmond, Indiana, in June, 1906, when he was united in holy bonds to Miss Luanna Irwin. For several years past they have made their home in Anderson, Indiana, where they have greatly endeared themselves to the people and were a great blessing to the First Methodist Church.

The funeral services were conducted at the home in Anderson, Sunday, September 2, 1917, by his pastor, Rev. J. W. Potter, assisted by Rev. J. A. Beatty, district superintendent, and Revs. Bailey, Jones, Westhafer, and Hobbs, and on the day following his body was laid away in Woodlawn Cemetery, at Warren. Indiana.

### MRS. ELIZABETH B. STEPHENS.

Elizabeth B. Huston, daughter of Mr. and Mrs. Samuel Huston, was born on a farm near Mechanicsburg, Indiana, December 25, 1840, and died at her home in Lapel, Indiana, Friday evening, November 9, 1917, aged seventy-six years, ten months, and fifteen days.

She was the youngest of eleven children, all of whom had preceded her to the other world.

April 29, 1857, she was married to the Rev. Philip S. Stephens at the home of her parents, the Rev. James Armstrong officiating. She and her husband went to Windsor, Indiana, to start housekeeping, Mr. Stephens that year being pastor of the church at that place.

Rev. Stephens filled Conference appointments until placed on the retired list in 1910. Since 1905 they had lived in their home in Lapel. They celebrated their sixtieth wedding anniversary on April 29, 1917.

Mrs. Stephens had been a member of the Methodist Episcopal Church since childhood. She was of a cheerful disposition, kind to all, and during her last illness, which lasted over a year, was a very patient sufferer. Five days before her death she suffered a light stroke of paraly-

sis. She knew the end was near and was prepared to go, her only solicitation being for her aged husband. Her last words to her husband were, "I wish I could go to my Heavenly Father."

She leaves to mourn her loss, besides her aged husband, two sons, Asbury Stephens, of Lapel, and Homer Stephens, of East St. Louis. One child died in infancy. Five grandchildren survive her, namely: John Stephens, of California; Walter Stephens, of Knoxville, Tennessee; Roy Stephens, of Detroit, Michigan; Mrs. Aletha Musselman, of Lapel; and Catherine Stephens, of East St. Louis. She leaves nine great-grandchildren.

The functal services were conducted from the Methodist Episcopal Church in Lapel, in charge of the pastor, Rev. P. E. Greenwalt, assisted by a former pastor, Rev. J. A. Patterson, on November 12, 1917, and she was laid to rest in the family lot in the Brookside Cemetery at Lapel, Indiana.

Mrs. Elizabeth B. Stephens.

### MRS. MELISSA E. LACY.

Melissa E., daughter of Daniel and Mary Bainter, was born in Blountsville, Indiana, October 8, 1856, and departed this life at Cicero, Indiana, October 15, 1917, aged sixty-one years. Her father and mother died when she was a small

girl. In about a year after their deaths, Mr. and Mrs. David Fletcher took her to their home as one of their own and gave her the care of a daughter, and in their home she grew up to womanhood. October 16, 1873, she was married to F. M. Lacy, and to them three children have been borntwo sons and a daughter. One son, Burchard, preceded his mother to the better land, leaving one son, Daniel B., of Rockford, Illinois, and one daughter, Mrs. Cora M. Etsler, of Alexandria, Indiana, to comfort the be-reaved husband in his sorrow. There is also one sister and one brother and a host of other friends and relatives to mourn her departure.

When the call came to her husband to enter the ministry she entered into the experiences of an itinerant life with willingness and for twenty-eight years stood by the side of her husband in all the vicissitudes of that calling, going about her Master's business, not seeking her own comfort.

ville, Indiana, in charge of Rev. C. E. Line, assisted by Revs. A. S. Preston, C. B. Dougherty, B. E. Jones, J. J. Fred, C. B. Thomas, and H. L. Liddle, after which the body was laid to rest in Blountsville's beautiful village cemetery.

## REV. JOSHUA EVAN ERVIN.

Joshua Evan Ervin was born near Hartford City, April 15, 1840, and entered into the rest that remains for God's people after spending one day of the present year among his kindred and friends.

Rev. Joshua Evan Ervin.

been made so plain to young Joshua Evan Ervin and his keeping and directing agency so richly displayed in his experience, that the young believer and ardent worshiper found himself powerless to decline the Divine summons to preach to others the blessed Gospel that was so sweet to his spirit; and the privations and the hardships of the itinerancy of that early day had no depressing effect on his courageous soul, aflame with love. He made the best preparation for his life work his opportunity permitted.

September 6, 1867, he was united in marriage with Miss Minerva Mercer. Three of their four children survive. For over forty years this consecrated couple shared the same trials and joys of the itinerancy, before the faithful wife was called to come up higher.

The records of the North Indiana Conference show that besides serving for a season as president of the Farmers' Academy, Brother Ervin was pastor of Methodist Episcopal Churches in the following cities and towns: Portland, Camden, Tipton, Peru, Muncie, Kendallville, Mishawaka, Wabash, Auburn, Bluffton, Ligonier, Union City,

burn, Bluffton, Ligonier, Union City, a term of six years on the Kokomo District, Angola, West Marion, Pierceton, South Whitley, Cicero. In several of these churches Brother Ervin served for a second term, which is a telling evidence of his acceptability. Another proof of the exceptional popularity of the brotherly, kind-hearted man in his parishes is, that so many devout parents who had enjoyed his ministration to so great a profit were moved to show their love for him by conferring his name upon one of their sons. Some showed him this honor long after he had ceased to be their pastor. To-day there are scores of men in middle life and under in the learned professions who respond when the name Ervin is called. There is not a known instance of one of them dishonoring the name. The defensive charm is not in the name, but in the Christian training of the homes where the name is revered, as the reminder of the blameless example and clean personality of the minister who had enshrined the name second only to the name of Jesus in their memories.

His former parishioners recall him as the pastor who was pure, undefiled, above questionable deeds, with the Scriptures written on the tablets of his memory, always ready to rebuke, exhort, and lead souls in love, or lift his hand in blessing.

In 1906 he was united in marriage to Mrs. Eliza Rickard Smell, whom he had known as a parishioner and near neighbor during his pastorate in Simpson Chapel. Both were admirably suited for glorifying, each for the other, the evening of life. Both were more at home in the Bible than in any other body of literature. Both found the highest gratification of their taste in the fields of Christian experience and Christian biography. Both found their chief attraction in the house of the Lord. Both appeared, during the quiet years of their retirement, as constantly conscious of precious inward joy, but when going to the house of the Lord, their supreme felicity came to the surface, their Christian love shined out in the glow of a full assurance they were about to receive the manna that comes from heaven. How wonderful heaven will be, if sweeter peace prevails there, to what these choice spirits realized here.

## Memoirs

Next to the privileges of this church, Brother Ervin relished the sweet fellowship of the Ministerial Association meetings. He was the friend of the pas-tors of this church, the friend of every member. The district superintendent and his Conference brothers were remembered in his prayers. The Church of Christ continues to be the birthplace of souls of rare purity, rare felicity, of manifestation, rare exemplification of the manifold features of Christian virtue, and our hearts tell us Brother Joshua Evan Ervin belongs to that par-excellent group, and we shall find him there, but we shall also find he retains the same modesty and humility that beautified his presence among us. The devoted widow and noble children are not paying him the last tribute of respect to-day. They are just coming to know him in a new light-a glorified spirit forever with the Lord.

#### REV. A. M. PATTERSON.

Rev. A. M. Patterson, the son of James and Elizabeth Montgomery Patterson, was born in Juniata County, Pennsylvania, March 28, 1838, and died at Alexandria, Indiana, January 23, 1918, aged seventy-nine years, nine months, and twenty-five days. He came to Indiana in 1844 with his parents who settled on a farm three miles north of Monticello, White County, Indiana. In his young manhood he taught several terms of school and worked at the carpenter's trade in the summer. In the year 1861, October the

2nd, he was united in marriage with Caroline [ Stewart at Camden, Indiana, with whom he lived for more than fifty-six years. To this union five children were born-four sons and one daughter, one son and the daughter, Pearl Patterson Warner, preceding him to the life beyond. In early manhood he united with the church and attended school at Waveland Academy, Montgomery County, Indiana. During his early life he was interested in the work of the Methodist Episcopal Church, and finally in 1874 he joined the North Indiana Conference at Fort Wayne, Indiana, and has been a member of the Conference nearly forty-four years. He conducted many revivals and hundreds of souls were converted and came into the church. This was the greatest delight of his ever-happy soul. The last period of his life was spent in Alexandria, Indiana, where he made hundreds of friends who appreciated his cheerful disposition. He was recognized as a man of universal kind-

Rev. A. M. Patterson. ness, who brought sunshine and cheer to all with whom he mingled. During his life as a retired minister he has been very active in the work of the church so far as his strength would permit. He was loyal to the church and the pastor, and in turn they greatly appreciated his helpfulness. The day before he joined the hosts above he lifted his hands heavenward and said, "Jesus, Jesus," He knew he was near the eternal home. And when his pastor spoke to him he said, "It's all right, it's all right." And then, just a few hours before he went to be with Jesus, when his son James said to him, "I think you will get along for awhile now," he said, "I do not care about it." We knew he was so near the kingdom he wanted to go.

During the Civil War he became a member of Co. B, 150th Regiment, Indiana Volunteer Infantry, and served until the close of the war. He was a mem-ber of the Grand Army Post and was a former commander of the local post. He was a member of a family of eleven children, four of whom are living: The Rev. James T. Patterson, Presbyterian minister, of Oxford, Indiana; Rob-ert Patterson, of the State of Washington; Samuel Patterson, of Missouri; and one sister, Mrs. Margaretta Logan, of Bement, Illinois. Those who survive him of his own family are his wife, Mrs. Caroline Patterson, of Alexandria, Indiana; James A. Patterson, of Pendleton, Indiana; Charles E. Patterson, of Milan, Michigan; W. Franklin Patterson, of Winamac, Indiana. The grandchildren are six in number, Odette and Marjorie Patterson, of Winamac, Indiana; Maurine Patterson, of Milan, Michigan; and Elsie Mae, Blanch C., and Clayton J. Warner, of Tawas City, Michigan.

### REV. WILLIAM S. STEWART.

William Springer Stewart was born in Harrison Township, Cass County, Indiana, December 21, 1830. He was the son of Enos Huron and Ruth Springer Stewart. He leaves a widow, four children-Robert Melvin, Franklin Huron, Dr. M. Burt, and Mrs. Myra Gordon-two half brothers, two half sisters, six ar indehildren, three great-grandchildren, besides a host of friends to mourn his

Rev. William S. Stewart.

Ac W. Greeman at Broadway, Logansport, Brother Stewart was converted and gave abundant evidence of a blessed experience and saving faith in the Lord Jesus Christ.

September 9, 1861, he was married to Margaret Jane, daughter of Robert and Rosanna McMillen. To this union five children were born, Robert Melvin, of Elkhart; Franklin Huron, of Montpelier, Ohio; Dr. M. B. Stewart, of Logansport; Rosanna, who died in infancy; and Mrs. Myra Gordon, of Logansport. In 1866 he moved to southeastern Kansas. After five years on the farm he felt called to the ministry, and was appointed to the Virgil Charge, Kansas, in 1871, having nine appointments. He was a pioneer circuit rider, having horse and saddlebags. He preached three years on the Virgil Circuit, and then was appointed to Fredonia. Feeling the need of a better preparation for his work in the ministry, he moved with his family and three children to Evanston, Illinois, and took a four-years' course in Garrett

Biblical Institute, graduating with the class of 1879, when he transferred to the North Indiana Conference, in session at Goshen, and was appointed to Elkhart Circuit. He was the pastor on the following charges: Albion, Butler, Bourbon, Columbia City, Manchester, Noble Street (Anderson), Albany, Market Street (Logansport), when he took a supernumerary relation in 1900 and moved back to the farm, which he had left before going to Kansas.

He was an earnest and successful preacher of the Gospel, having gracious revivals and faithfully ministering to the people in sickness and sorrow. His sweet and gentle disposition won him a place in the affections of his people, and many will rise to call him blessed. On December 8, 1913, his wife, after three months' illness, passed away. Her devotion, sacrifice, and faithful ministry, to-gether with that of her loving husband and children, was thus broken.

September 12, 1917, he was united in marriage to Mrs. Anna Smith. On January 10, of the present year, while going to the store, he suffered a fall, striking the back of his head against the pavement. On arriving home he did not complain about it, but after supper told his wife he had fallen and was not teching well. On Saturday evening at 5:30 he was stricken with apo-plexy, resulting in the paralysis of the entire right side. He lingered several days, taking little nourishment and only partially conscious. On Monday evening, the 21st, after consulting with his son, Dr. M. B. Stewart, and Dr. Hatch, it was thought best to take him to the St. Joseph's Hospital, where he could have the best medical care and attention. On Wednesday, the 30th of January, his family was called to his bedside, and for several hours they watched him until at 10:15 P. M. he breathed his last and passed away from earth to heaven.

## Memoirs

Thus the life of the Rcv. W. S. Stewart, reaching out to fourscore years, a life of activity and usefulness and blessing, remained as a precious memory.

> "Servant of God, well done; Thy glorious warfare's past: The battle's fought, the race is won, And thou art crowned at last."

## MEMORANDA

## (b) AMENDED CONSTITUTION PREACHERS' AID SOCIETY.

#### ARTICLE I-NAME AND SEAL.

Section I. The corporate name of this organization shall be "The Preachers' Aid Society of the North Indiana Conference of the Methodist Episcopal Church." It is organized under the provisions of an Act of the Legislature of the State of Indiana, entitled "An Act Concerning the Organization of Voluntary Associations, and Repealing Former Laws in Relation Thereto," approved February 12, 1855, and "An Act Amendatory Thereto," approved February 10, 1863. The record of this organization is recorded in Henry County.

Section 2. The corporate seal of this Society shall be a metalic impression, with the following words and letters, to-wit: "The Preachers' Aid Soc. N. Ind. Conf., M. E. Church."

### ARTICLE II-OBJECT AND FUNDS.

Section I. The object of this Society is to raise and perpetually maintain a fund for the relief of the preachers of said Conference, and their families, in accordance with the provisions and restrictions of this Constitution and in harmony with the spirit of paragraph three hundred and thirty-four (334) of the Discipline of the Methodist Episcopal Church of nineteen hundred and sixteen.

Section 2. Said fund shall consist of :

First: Funds received by this Conference from the division of the capital stock of "The Preachers' Aid Society of the Indiana Conference of the Methodist\_Episcopal Church, incorporated by an Act approved February 12, 1841."

Second: Amounts specifically appropriated to this object from the Centenary contribution of 1866 of said Church, and also those of the Twentieth Century contributions.

Third: Devises, bequests, gifts, and donations of property, real and personal, also gifts and donations of bonds, stocks, moneys, and anything else of value that may legitimately come into the possession of and be received by said Society.

Section 3. The fund shall be permanent, but all proceeds arising from rents, interest, or any investment, shall, after the payment of all incidental expenses, be paid to the Conference Stewards, and shall become a part of the funds to be applied on the Annual Conference Annuity distribution as indicated in paragraphs three hundred forty-one (341) and three hundred forty-two (342) of our Discipline of nineteen hundred and sixteen.

Section 4. The money received as dues or fees from the members of the Society, together with such other sums as may be designated for this purpose, shall constitute an Administration Fund, from which shall be paid the general expenses of the Society.

#### ARTICLE III—MEMBERSHIP.

Section I. The membership of this Society shall consist of two classes, Beneficiary and Non-beneficiary.

Section 2. Beneficiary Members. All members of the North Indiana Conference are Beneficiary Members.

Section 3. Fees and Dues. I. The annual fee for Beneficiary Members shall be not less than one per cent of the cash salary which the said member received during the year, just closing, as reported to the Annual Conference, until his payment shall amount in the aggregate to one hundred dollars. Or he may elect to pay in annual installments of not less than ten dollars each, until he has paid in one hundred dollars, when he shall, in either case, receive a Certificate of Life Membership, not transferable and non-forfeitable, except as indicated by this Constitution.

5

shall pay interest on deferred payments at the rate of six per cent, compounded innually for the deferred time.

Section 4. If any member shall become a claimant before he has paid into Section 4. If any member shall become a claimant before he has paid into the Administration Fund of the Society the full sum of one hundred dollars, then a sum equal to not less than one-tenth of the total annuity due to him or to his family, shall be withheld each year by the Conference Stewards, and turned to this Society until all principal and interest thereupon shall have been paid, whereupon there shall be issued to him, or in case of his death, to his widow, a Certificate of Life Membership.

Section 5. Non-Beneficiary Members. Any lay member or friend of the church and ministry is eligible to membership in this class. One may become a life member by the payment of \$500 at one time, or a life-patron by the payment of \$5.000 in the same manner. The members or patrons in this class shall be entitled to participate in all the proceedings of the Society, provided they are members of the Methodist Episcopal Church.

Section 6. Transfers, Locations, Withdrawals, Expulsions.

I. In the event that any minister who has paid one hundred dollars, or is in process of paying that amount into the Administration Fund of the Society, shall be transferred to another Annual Conference of the Methodist Episcopal Church, he shall thereby forfeit his claim as a Beneficiary Member, but upon his request within one year the amount paid by him as dues shall be returned to him without interest, after deducting any other obligation he may have toward the Society.

2. Should any member of this Society, who has paid, or is in process of paying, one hundred dollars to said Administration Fund, be located, at his own request, or by action of the Annual Conference in accordance with the provisions of the Discipline without his request, he shall have refunded to him, if he make request within one year from the date of his location, the amount he has paid as dues to the Administration Fund, without interest, thereby canceling all claims he may have against this Society.

3. Any Beneficiary Member of this Society who may withdraw from the Methodist Episcopal Church, or any such member who may be expelled from the Methodist Episcopal Church, or the Annual Conference, shall thereby forfeit his membership in this Society, and all claim to its benefits and all that he may have paid into it. The same rule shall apply to a widow of a deceased minister who was a member of this body. If, however, any one who has been expelled shall be restored, that one may again receive benefits, but not for the time while expelled.

#### ARTICLE IV-MANAGERS AND OFFICERS.

Section I. A Board of Control consisting of fifteen managers, including the district superintendents and the general secretary (hereinafter provided for) shall have full power to manage the affairs of this Society, subject to this constitution. The managers, in addition to the district superintendents, shall be elected annually by the Preachers' Aid Society.

Section 2. The officers of the Society shall be a President, Vice-President, Recording Secretary, Treasurer, and General Secretary. All of these, save the last, shall be elected annually by the Society from the fifteen managers of the Society unless the Society should select some Trust Company to act as Treasurer.

Section 3. The Society at its regular annual meeting shall elect a General Secretary who shall ex-officio be a member of the Board of Control. He shall work under the general direction of the Board of Control. The Society, upon recommendation of the Board, shall determine whether he shall give entire time to the work of the Society, and whether or not any assistants shall be granted him. It shall fix any salaries, and provide for the payment of same, either by a pro rata tax on the membership or by directing the Board of Control to pay it from the Administration Fund of the Society. In either case the salary shall be paid in monthly installments.

All revenues and everything of value that comes into the hands of the General Secretary shall be passed over to the Treasurer, who shall receipt therefor. When practical, reports shall be made monthly. Section 4. The Society at its regular annual meeting shall select four managers, who with the General Secretary, shall constitute the Executive Committee, and shall have such authority as may be determined by the Board of Control by its by-laws.

Section 5. Before entering upon the duties of his office, the Board of Control shall provide, through a reliable Surety Company, or in some other satisfactory manner, that the Treasurer shall give bond and security in the penal sum of fifteen thousand dollars, which may at any time be increased at the discretion of the Board. Said bond shall be filed with the Recording Secretary.

Section 6. The Board shall have power to make by-laws for its own government not inconsistent with this Constitution.

Section 7. Any vacancy in office, caused by death, resignation, or otherwise, during the interim of the Annual Conference, may be filled by the Board, called at any time by the President or any three members of the Board.

## ARTICLE V-ANNUAL AND SPECIAL MEETINGS.

Section I. The annual meeting of the Board of Control shall be held in the city of Muncie, Indiana, within thirty days next preceding the sessions of the Annual Conference, upon the call of the President or the highest ranking officer of the Board. Special meetings of the Board may be called at any time by the President or any three members thereof, upon reasonable notice being given to all members of the Board. In all meetings of the Board seven shall constitute a quorum for the transaction of business.

Section 2. The annual meeting of the Society shall be held at the seat of the Annual Conference, at ten o'clock in the forenoon of the second day of the session, the President of the Conference presiding. This meeting shall be for the purpose of electing managers and officers, also Executive Committee for the ensuing year; to receive and pass upon the annual report of the Board of Control, made out according to the accompanying form found in the by-laws, and to transact any other business pertaining to the Society. This meeting may adjourn to any other day or days of the Conference session; or, in emergency, the President and Recording Secretary may call a meeting of the Society on any day before the Conference closes; and it shall require the presence of thirty-five members to constitute a quorum.

Section 3. In the interim of the Annual Conference sessions, meetings of the Society may be called by the President, Recording Secretary, and any three members of the Board, twenty days' notice having been given in the Advocate having the largest circulation within the bounds of the Conference.

### ARTICLE VI-INVESTMENT OF FUNDS.

The Board of Control shall, at its annual meeting, appoint an investment committee of three, who shall be laymen, who, with the Treasurer, shall have discretionary power over the investments of the Society, subject to the following restrictions:

All loans and purchased mortgages shall be secured by mortgage on unincumbered real estate, the cash value of which shall be at least double the amount thus secured, the net income of which shall exceed the interest, insurance covering our interest in any buildings to be provided by mortgagee.

In every case abstracts must be furnished that shall satisfy the investment committee that the title to the property is clear and unincumbered otherwise, where loans are sought or mortgages purchased.

The committee shall have authority to purchase United States, State, county, and city municipal bonds.

### ARTICLE VII-CHANGING CONSTITUTION.

This Constitution, with its accompanying by-laws, may be changed or amended at an annual meeting of the Society, by a two-thirds vote of the members present, such changes or amendments having been first recommended by a majority of all the members of the Board of Control.

## BY-LAWS.

Section 1. The officers shall perform the same general duties at all meet-

Section 2. The Recording Secretary shall keep a full and permanent record, the book form, of all the transactions of business, both of the Society, and of the Board of Control. He shall keep in his possession the corporate seal of the Society, and all important books and papers not belonging to the Treasurer or the General Secretary.

Section 3. The General Secretary shall keep a list of all beneficiary and of the non-beneficiary members. He shall make and keep a record in a book especially prepared for this purpose, a list of all who have been granted Certificates of Life Membership, and open in said book an account with each of said prospective Life Members, crediting them with the payments they make from year to year, charging them six per cent, compound interest, upon all deferred payments until paid, the interest to be paid into the Administration Fund. The General Secretary shall make out all Certificates for Life Membership, which shall bear the signatures of the President and Recording Secretary, and bear the imprint of the corporate seal.

Section 4. Any note executed to the Society by any of its members and remaining unpaid, both principal and interest shall be deducted from any allowance to such member, his widow, or his children, by the Board of Stewards, equal to the pro rata share that said claimant would receive each year from the funds turned over to the Stewards from this Society for general distribution, until said note and interest is paid in full, and the General Secretary shall receive the same from the Stewards and place the amounts in the permanent and Administration Funds according to Section 3 of these by-laws.

Section 5. The report of the Board of Control to the annual meeting shall be made by the Recording Secretary and shall embrace the following items:

Total Permanent Fund at last report.

Total Permanent Fund at present.

- 3. Amount of subscriptions to the Permanent Fund.
- 4. Fees and dues, due from Beneficiary Members.
- 5. Cash in his hands.
- 6. Any other items of value necessary to a complete exhibit of the financial status of the funds of the Society.

Section 6. The General Secretary, in addition to his other duties, shall prepare an annual itemized statement of all the assets of the Society; both of its real estate and personal property, with an estimate of the cash value of each class of such assets, and send a copy of such statement to each member of the Board of Control, at least ten days before the regular annual meeting of said Board.

Section 7. The Treasurer of the Society shall have the same power that the President and Recording Secretary now have, to release upon the records all mortgage judgments and other liens; and all such releases heretofore made by former Treasurers of this Society and fully ratified and confirmed.

The Board of Control, at its regular annual meeting, held in Muncie, Indiana, April 1, 1918, duly recommended the approval and adoption of the above as the Amended Constitution and By-Laws of the Preachers' Aid Society.

## (f) LAYMEN'S ASSOCIATION.

#### WARSAW, INDIANA, April 6, 1918.

The Laymen's Association of the North Indiana Conference met in the Presbyterian Church at nine o'clock A. M., President E. Starbuck presiding. G. E. Meck led in the opening singing, and Dr. Ralph Ward offered prayer.

The following committees were appointed:
 Committee on Resolutions—F. W. Greene, J. W. Stackhouse, A. B. Cline,
 M. O. Abbey, A. R. Beyerle, G. E. Meck, and A. G. Beaver.

Committee on Nominations-J. D. Coppes, E. S. Vandermark, H. S. Current, G. E. Meck, and O. M. Fisher.

Dr. Ralph Ward was introduced and briefly, but interestingly, presented the Centenary Program for Missions.

Rev. R. A. Morrison was invited to speak on the Conference Claimants Campaign. This he did in a very able and effective manner.

Dr. Johnson spoke briefly, giving much valuable information concerning

the Fort Wayne Hospital. Dr. M. Vayhinger, president of Taylor University, made a brief, enthusiastic speech on Taylor University as an asset of Methodism.

J. D. Coppes spoke on the general subject of giving, but emphasized espe-cially the Conference Claimants' Fund. There was then open discussion and two or three of the brethren spoke on the same subject.

Brother Middleton, a pioneer local preacher from the Warren Home, spoke

briefly, emphasizing tithing. He then led us in fervent prayer. A. B. Cline was called out and spoke briefly with his usual earnestness on things pertaining to the Kingdom.

President Starbuck called for an expression of opinion as to the nature of the program for next year. After a few had given expression on the matter, a motion was carried to have a program from our own number with free open discussion of the subjects that interest us. Adjourned to meet in business session in the Methodist Episcopal Church at 1:15.

Committee.

The Committee on Resolutions presented the following report, which was adopted:

To the Laymen's Conference of the North Indiana Conference:

We, your Committee on Resolutions, submit the following resolutions:

First. We are in favor of the adoption of the proposed change in Consti-tution as set forth in Chapter VI, Paragraph 577, of the 1916 edition of the Doctrines and Discipline of the Methodist Episcopal Church, and commend it to the Lay Electoral Conference and the Annual Conference for their favorable consideration and action.

Second. WHEREAS, The Government of the United States of America, by its proper authority, has ordered the conservation of food and fuel among the consumers of the country; and

WHEREAS, We commend the Government for its action in this matter; be it,

Resolved, That the Laymen's Association of the North Indiana Conference of the Methodist Episcopal Church is unalterably opposed to the use of the foodstuffs of the country in the manufacturing of any form of intoxicating liquors; be it further

Resolved. That we are opposed to the use of fuel for the heating of saloons and breweries of the country at any time, but especially while the schools and churches are closed for the lack thereof.

Third. It is the sense of this Association that non-residents whose names are on our records as full members should be placed on a list of non-resident members, and that those persons, who by their daily life and actions, show they are making no pretense of living a Christian life, should be removed from the roll of church membership without the necessity of a church trial; and a proper mode of procedure be laid out to govern the district superintendent, pastor, and official board in this action.

Fourth. Be it Resolved, That this Association especially commends to the voters of Indiana and the United States the patriots who have in our own Leg-islature and in the Congress of the United States stood for State and Nationwide Prohibition and are endeavoring to make our State and Country safe for democracy.

## PREACHERS' AID SOCIETY RESOLUTION.

Fifth. WHEREAS, The inherent, foremost, supreme cause of the Conference Claimants' Campaign for the securing of \$20,000,000 for Methodism, \$1,000,000 for the North Indiana Conference, originated by the laymen, ordered by the Laymen's Association and the North Indiana Conference, and now being successfully prosecuted by laymen and ministers, \$100,000 having been pledged by the Goshen District, demonstrating the fine response of the church, and making it certain that our great Conference will prosecute the campaign to a successful termination: and

WHEREAS. The campaign has the unqualified endorsement of Bishop Nicholson, and the entire Chicago Area meeting; and,

WHEREAS, We are urged by the Bishop and the Board of Conference Claimants to conclude the campaign this Conference year; therefore,

Resolved. That we will give this great campaign for \$1,000,000 our absolute and unqualified endorsement and will do our utmost to bring it to success this year as far as possible.

Resolved. Further, that we recommend to preachers and laymen that we stand unitedly together in the prosecution of the work until victory crowns our efforts.

Sixth. We are glad to see the movement made to connect more closely the work of Taylor University with our great church, and are glad the University is standing for a more highly educated ministry.

Seventh. In view of the great world needs to-day, which will be greatly increased when the war closes, and as Methodism must take the lead in all missionary work throughout the world, we regard the great Centenary Movement for \$80,000,000 as timely and necessary to enable Methodism to do her part in world evangelization and reconstruction, and as the first part of the campaign is educational, preparatory to the securing of a large number of Christian stewards throughout the church and our Conference; therefore,

Resolved, That we endorse the educational part of the program for the securing of as large number as possible of Christian stewards in our Conference during this Conference year.

Eighth. We wish to extend our thanks to the Presybterian Church for the use of their church and to all who have assisted to make this a profitable meeting. We especially thank our president, E. Starbuck, and our dearly beloved bishop, Thomas Nicholson, for their help during the past year.

FRANK W. GREENE, Chairman.

J. W. STACKHOUSE. A. R. BEYERLE.

W. N. LEE. M. O. Abbey.

H. S. CURRENT. G. E. MECK.

The business meeting was adjourned and Bishop Nicholson presided over the joint session of the Conference and the Laymen's Association. For minutes of this session, see Minutes of the Conference.

## APPOINTMENT RECORD

The following Record is a continuation of that in the L. W. Monson Manual, and is corrected to April 1, 1918, including the changes made during the year as reported by the District Superintendents to the Secretary. An effort is made to condense as much as possible by using abbreviations easily understood. The figures "18" and "19" are omitted from the years given, as all the appointments are in these two centuries. In some instances no record is made of the services in other Conferences because of the lack of data.

Abbreviations.—Loc., Located; Miss., Missionary; S., in School; Sn., Superannuated; Sy., Supernumerary; Sup., Supply; R., Retired; Tr., Transferred. SECRETARY.

**Explanatory.**—To find the length of a pastorate on a charge from the following record it will be necessary to take into account BOTH the FIRST and LAST years of appointment, 02-6 means five years of service on that charge

so it is unnucessary here to dilate upon their superiorities. , Far back of methods an i materials in every product there is a spiritual something that coverns results, and that is especially true in the construction of musical instruments. Many men have duplicated the material and construction of Stradivarius' violins, but none has matched the tone.

This is our business creed and in this belief shall we continue.

# We Believe

That Faith and Hope will be triumphant and that out of the dark clouds that now surround us will come a greater, nobler, kinder people with their faces set toward the Church of God.

That for the consummation of this much desired end the Church MUST NOT lag in any department, and especially in those departments that show the world that all is well within.

We Hope

That you will think of us often and kindly.
